

1. The first step is to identify the problem or question that needs to be addressed. This involves understanding the context and the specific requirements of the task.

These figures suggest that the number of people who are not working is increasing. This is a concern for the government, as it may lead to a decrease in the number of people who are contributing to the economy. The government is looking for ways to encourage more people to work, such as providing training and education opportunities.
