The Teaching of Instrumental Music Richard Colwell, Michael Hewitt, 2015-08-20 This book introduces music education majors to basic instrumental pedagogy for the instruments and ensembles most commonly found in the elementary and secondary curricula

This text focuses on the core competencies required for teacher certification in instrumental music. The first section of the book focuses on essential issues for a successful instrumental program: objectives, assessment and evaluation, motivation, administrative tasks, and recruiting and scheduling, including block scheduling. The second section devotes a chapter to each wind instrument plus percussion and strings and includes troubleshooting checklists for each instrument. The third section focuses on rehearsal techniques from the first day through high school.

Engaging Musical Practices Suzanne L. Burton, Alden H. Snell II, 2015-02-12. Engaging Musical Practices: A Sourcebook for Instrumental Music is a long-awaited compilation of best practices for instrumental music education. This unique book contains practical and pedagogically oriented chapters written by leaders in the field of instrumental music education. Designed for instrumental music teachers or for use in instrumental methods courses, the book covers a wide range of topics such as student readiness for instrumental music, beginning an instrumental music program, teaching instrumental music at the intermediate and advanced levels, working with strings and orchestras, motivating students, incorporating improvisation into the curriculum, selecting repertoire based on curricular goals, engaging students in assessment, marching band pedagogy and techniques, integrating technology, considering traditional instrumental music practice, becoming an instrumental music teacher, communicating effectively with stakeholders.

Practice in Context Claire Holden, Eric F. Clarke, Cayenna Rosa Ponchione, 2025. Many of the best-known and most regularly performed works of the Western Classical Music canon were written in the nineteenth century. Although this repertoire is loved by audiences and performers, nineteenth-century historical performance style is rarely heard today, even when performances are given by professional period instrument performers and specialist conductors. *Practice in Context* brings together scholars and performer-scholars who are interested in how historical research can contribute to greater understanding of the musical priorities and artistic decision-making processes when performing nineteenth-century pieces.
