Violence Chris Jones,2021-12-14 This collective volume takes a social scientific approach to the subject of violence Violence manifests itself on different levels

often beyond our comprehension The book comprises 15 chapters in which experts from different academic disciplines and backgrounds examine violence carefully logically and in a challenging way Although it is written from South African perspectives it is relatable to other countries As a source aimed at local and international scholars researchers and peers it invites open and critical discussion The arguments are presented systematically intersectionally and constructivistically It focuses on violence as an evolutionary phenomenon on how it effects children on interpersonal collective and structural violence on ecological violence and on violence as metaphor amongst others

South African Defence Force Review, 1990 **Consumption, Media and Culture in South Africa** Mehita Iqani, Bridget Kenny, 2017-10-02 This book is the first of its kind to bring together a collection of critical scholarly work on consumer culture in South Africa exploring the cultural political economic and social aspects of consumption in post Apartheid society From sushi and Japanese diplomacy to Queen Sophie s writhing gown from middle class Sowetan golfers to an indebted working class citizenry from wedding websites to wedding nostalgia from the liberation of consuming to the low wage labour of selling the chapters in this book demonstrate a variety of themes showing that to start with consumption rather than ending with it allows for new insights into long standing areas of social research By mapping exploring and theorizing the diverse aspects of consumption and consumer culture the volume collectively works towards a fresh set of empirically rooted conceptual commentaries on the politics economics and social dynamics of modern South Africa This effort in turn can serve as a foundation for thinking less parochially about neoliberal power and consumer culture On a global scale studying consumption in South Africa matters because in some ways the country serves as a microcosm for global patterns of income inequality race based economic oppression and hopes for the material betterment of life By exploring what consumption means on the local scale in South Africa the possibility arises to trace new global links and dissonances This book was originally published as a special issue of Critical Arts

Mergent International Manual, 2003 [This Week in South Africa](#), 1995 *South Africa Survey*, 1997 *The Nature and Extent of Drug Use and the Prevalence of Related Problems in South Africa* Lee Rocha-Silva, 1998 This project was motivated by a prevailing concern among national policy makers and service providers with preventing an expected increase in drug related health and socioeconomic problems in South Africa e g diseases such as HIV AIDS TB and Foetal Alcohol Syndrome traffic accidents crime violence and loss of productivity Cognizance was taken of the fact that comprehensive and integrated information critical for a cost effective and co ordinated prevention strategy in the RSA was lacking mainly because of limited to some extent unrefined and especially fragmented research infrastructure Consequently at the end of 1995 and under the leadership of the Centre for Alcohol Drug related Research HSRC a number of stakeholder agents mobilized national surveillance of the nature extent of drug use and related problems to inform and monitor the impact of preventive policy actions in South Africa Collaborators represented policy makers service providers and research houses from a wide array of contexts linked through the South African Researcher Practitioner Association SARPA During

South Africa's Post-Apartheid Military Lindy

Heineken, 2020-01-01 This timely book examines how the South African National Defence Force has adapted to the country's new security political and social environment since 1994 In South Africa's changed political state how has civilian control of the military been implemented and what does this mean for defence in a democracy This book presents an overview of the security environment how the mission focus of the military has changed and the implications for force procurement force preparation force employment and force sustainability The author addresses other issues such as the effect of integrating former revolutionary soldiers into a professional armed force the effect of affirmative action on meritocracy recruitment and retention military veterans looking at the difficulties they face in reintegrating back into society and finding gainful employment gender equality and mainstreaming the rise of military unions and why a confrontational instead of a more corporatist approach to labour relations has emerged HIV AIDS and the consequences this holds for the military in terms of its operational effectiveness In closing the author highlights key events that have caused the SANDF to become lost in transition and transformation spelling out some lessons learned The conclusions she draws are pertinent for the future of defence security and civil military relations of countries around the world

Saint Blaise Robert Dewar, 2025-02-28 Blaise is thirteen years old when this story opens in 1968 Within the stratified society of Cape Town during the height of the Apartheid era his family occupies the very top rung of the social and economic ladder Gifted popular good looking Blaise is set for a life of happiness and success But during his third year at university tragedy strikes and Blaise's life is turned upside down He opts to waive his student deferment from military service and in 1975 sees him participating in South Africa's first campaign against regular Cuban forces in Angola Brought up in a Catholic family Blaise's Catholic faith now becomes more important to him than ever before and in pursuit of what he believes is a divine command he finds himself in Rhodesia during the tail end of that country's vicious bush war And here Blaise must endure the single greatest hardship and horror of his life and suffer a terrible ordeal and it is from this moment that he begins to acquire his reputation as a Catholic mystic and holy man
