South African Security Manual:

Routledge Handbook of African Security James Hentz, 2013-08-22 This new Handbook examines the issues challenges and debates surrounding the problem of security in Africa Africa is home to most of the world's current conflicts and security is a key issue However African security can only be understood by employing different levels of analysis the individual human security the state national state security and the region regional international security Each of these levels provides analytical tools for understanding what could be called the African security predicament and these debates are animated by the new security issues immigration small arms transfers gangs and domestic crime HIV AIDS transnational crime poverty and environmental degradation African security therefore not only presents concrete challenges for international security but provides a real world context for challenging conventional conceptions of security Drawing together contributions from a wide range of key thinkers in the field the Routledge Handbook of African Security engages with these debates and is organized into four parts Part I The African security predicament in the twenty first century Part II Understanding conflict in Africa Part III Regionalism and Africa Part IV External influences This Handbook will be of great interest to students of African politics human security global security war and conflict studies peacebuilding and IR in general **South African**

Foreign Policy Review: Volume 1, 2012 **Handbook of Governance and Security** James Sperling, 2014-08-29 The Handbook is divided into four sections which examine in turn the emergence evolution and forms of security governance as well as the theoretical orientations that have so far dominated the literature networks multilateralism regimes and sy

South African Foreign Policy Review: Volume 1 Chris Landsberg, Jo-Ansie van Wyk, 2012-12-27 The richness of public and academic discourses on the past present and future direction of South Africa's role in Africa and the world suggests that as a sub discipline of politics South African foreign policy is ready for a systematic and regular appraisal in the form of a series of publications that the Institute for Global Dialogue will call South African Foreign Policy Review This is also because constant changes in international and domestic circumstances impinge on the management and analysis of South Africa's foreign policy This the first review provides an important opportunity to build on existing foreign policy works in order to take stock of the road already travelled in the past decade or so This is crucial in laying some basis for anticipating the country's future role and considering the opportunities and challenges which future volumes of the review will consider This volume provides a wide ranging appraisal of the relationship between stated foreign policy goals and actual outputs and outcomes an assessment of how foreign policy has actually been operationalized and implemented To this end common themes in South African foreign policy provide the framework for the first review These include foreign policy decision making soft power dynamics in the foreign policy's strategic calculus diplomatic tools used economic diplomacy peace diplomacy and paradiplomacy South Africa's relations with key states in Africa in the global south and in the global north South Africa's approach to Africa multilateral global multilateralism governance The review hopes to stimulate further

discussion and thinking on the challenges confronted and the future shape and direction of South Africa's foreign policy

Handbook of International Security and Development Paul Jackson, 2015-02-27 Providing a comprehensive introduction to the literature and approaches used in the field this illustrious Handbook explores and interrogates the link between security and development at a global level whilst offering a broad survey of current thinking **Food Security Policy, Evaluation and Impact Assessment** Sheryl L. Hendriks, 2019-12-06 This book offers an essential comprehensive yet accessible reference of contemporary food security discourse and guides readers through the steps required for food security analysis Food insecurity is a major obstacle to development and achievement of the Sustainable Development Goals It is a complex issue that cuts across traditional sectors in government and disciplines in academia Understanding how multiple elements cause and influence food security is essential for policymakers practitioners and scholars This book demonstrates how evaluation can integrate the four elements of food security availability access nutrition and resilience and offers practical tools for policy and programme impact assessment to support evidence based planning Aimed at researchers postgraduates and those undertaking professional development in food studies agricultural economics rural development nutrition and public health the book is key reading for those seeking to understand evidence based food security analysis *Handbook on Urban Food Security in the Global South* Jonathan Crush, Bruce Frayne, Gareth Haysom, 2020-12-25 The ways in which the rapid urbanization of the Global South is transforming food systems and food supply chains and the food security of urban populations is an often neglected topic This international group of authors addresses this profound transformation from a variety of different perspectives and disciplinary lenses providing an important corrective to the dominant view that food insecurity is a rural problem requiring increases in agricultural production **Foreign Policy in Post-Apartheid South Africa** Adekeye Adebajo, Kudrat Virk, 2017-12-18 South Africa is the most industrialized power in Africa It was rated the continent's largest economy in 2016 and is the only African member of the G20 It is also the only strategic partner of the EU in Africa Yet despite being so strategically and economically significant there is little scholarship that focuses on South Africa as a regional hegemon This book provides the first comprehensive assessment of South Africa's post Apartheid foreign policy Over its 23 chapters and with contributions from established Africa Western Asian and American scholars as well as diplomats and analysts the book examines the current pattern of the country's foreign relations in impressive detail The geographic and thematic coverage is extensive including chapters on the domestic imperatives of South Africa's foreign policy peace making defence and security bilateral relations in Southern Central West Eastern and North Africa bilateral relations with the US China Britain France and Japan the country's key external multilateral relations with the UN the BRICS economic grouping the African Caribbean and Pacific Group ACP as well as the EU and the World Trade Organization WTO An essential resource for researchers the book will be relevant to the fields of area studies foreign policy history international relations international law security studies political economy and development studies *Expanding US Military Command*

in Africa Tshepo Gwatiwa, Justin van der Merwe, 2020-12-23 This book discusses the systematic expansion of the United States Africa Command AFRICOM across the continent of Africa This book posits that AFRICOM expansion in Africa is part of a broader system of accumulation based on a government business media GBM complex Applying the concept at both structural and descriptive levels the GBM complex is a function of the synergy between the state's quest for power businesses need for expansion and the informational and hegemonic functions of media actors The United States GBM complex in Africa is supported and in some locations spearheaded by its military with dispossessing effects on local actors Drawing from African case studies analytical accounts and empirical case studies this book explores AFRICOM's role within this broader strategy The volume maps both the methods and the scope of this expansion as well as local resistance to this process and comprises perspectives from the five regions of Africa key sub regional organizations and voices from Africa's regional hegemons This book will be of much interest to students of security studies strategic studies African politics and International Relations

Routledge Handbook of Private Security Studies Rita Abrahamsen, Anna Leander, 2015-10-08 This new Handbook offers a comprehensive overview of current research on private security and military companies comprising essays by leading scholars from around the world The increasing privatization of security across the globe has been the subject of much debate and controversy inciting fears of private warfare and even the collapse of the state This volume provides the first comprehensive overview of the range of issues raised by contemporary security privatization offering both a survey of the numerous roles performed by private actors and an analysis of their implications and effects Ranging from the mundane to the spectacular from secretive intelligence gathering and neighbourhood surveillance to piracy control and warfare this Handbook shows how private actors are involved in both domestic and international security provision and governance It places this involvement in historical perspective and demonstrates how the impact of security privatization goes well beyond the security field to influence diverse social economic and political relationships and institutions Finally this volume analyses the evolving regulation of the global private security sector Seeking to overcome the disciplinary boundaries that have plagued the study of private security the Handbook promotes an interdisciplinary approach and contains contributions from a range of disciplines including international relations politics criminology law sociology geography and anthropology This book will be of much interest to students of private security companies global governance military studies security studies and IR in general

European Union Common Foreign Policy M. Holland, 1995-03-13 This book presents an examination of one of the first joint actions undertaken by the European Union under the Common Foreign and Security Policy CFSP provisions of Maastricht The case study of South Africa is particularly important as it straddles both the CFSP and the European Political Cooperation EPC periods and thus similarities and constraints in policy making and implementation can be made The EC EU policy vis a vis South Africa is traced from 1977 through to the April 1994 South African elections The earlier policy period of sanctions and positive measures are compared with the 1990s policies of election observation the normalization of bilateral relations and development policy General conclusions about the effectiveness and institutional aspects of joint actions are drawn and recommendations for improved CFSP joint actions proposed Vice President of the Commission Sir Leon Brittan has contributed a foreword to this volume

Bring Your Own Device Security Policy Compliance Framework Rathika Palanisamy, Azah Anir Norman, Miss Laiha Mat Kiah, Tutut Herawan, 2025-03-29 Proliferation of Bring Your Own Device BYOD has instigated a widespread change fast outpacing the security strategies deployed by organizations The influx of these devices has created information security challenges within organizations further exacerbated with employees inconsistent adherence with BYOD security policy To prevent information security breaches compliance with BYOD security policy and procedures is vital This book aims to investigate the factors that determine employees BYOD security policy compliance by using mixed methods approach Security policy compliance factors BYOD practices and security risks were identified following a systematic review approach Building on Organizational Control Theory Security Culture and Social Cognitive Theory a research framework positing a set of plausible factors determining BYOD security policy compliance was developed Next with a purposive sample of eight information security experts from selected public sector organizations interviews and BYOD risk assessments analysis were performed to furnish in depth insights into BYOD risks its impact on organizations and recommend control measures to overcome them This led to the suggestion of four control measures to mitigate critical BYOD security risks such as Security Training and Awareness SETA policy top management commitment and technical countermeasures The control measures were mapped into the research framework to be tested in the following quantitative phase The proposed research framework was tested using survey results from 346 employees of three Critical National Information Infrastructure CNII agencies Using Partial Least Squares Structural Equation Modelling PLS SEM the framework s validity and reliability were evaluated and hypotheses were tested Findings show that perceived mandatoriness self efficacy and psychological ownership are influential in predicting employees BYOD security policy compliance Specification of security policy is associated with perceived mandatoriness while BYOD IT support and SETA are significant towards self efficacy Unexpectedly security culture has been found to have no significant relationship to BYOD security policy compliance Theoretical practical and methodological contributions were discussed and suggestions for future research were recommended The analysis led to a number of insightful findings that contribute to the literature and the management which

are predominantly centered on traditional computing In view of the ever increasing BYOD threats to the security of government information it is imperative that IT managers establish and implement effective policies to protect vital information assets Consequently the findings of this study may benefit policymakers particularly in the public sector in their efforts to increase BYOD security policy compliance among employees *The Geopolitics of Regional Power* Sören Scholvin,2016-03-09 In the last two decades various states from the Global South have emerged as important players in international relations Most popular among them is China Brazil India and South Africa have also taken essential roles in global and regional politics Compared to traditional great powers they can be labelled regional great powers or regional powers because their influence is with the exception of China concentrated on their neighbourhood The impact of regions meaning the impact of geography on the economics and politics of regional powers is surprisingly understudied This book analyses how geographical conditions influence the regional economics and politics of South Africa allowing the author to delineate its region of influence Routledge Handbook of African Peacebuilding Bruno Charbonneau,Maxime Ricard,2022-05-30 Africa lies at the centre of the international community s peacebuilding interventions and the continent s rich multitude of actors ideas relationships practices experiences locations and contexts in turn shapes the possibilities and practices of contemporary peacebuilding This timely new handbook surveys and analyses peacebuilding as it operates in this specifically African context The book begins by outlining the evolution and the various ideologies conceptualizations institutions and practices of African peacebuilding It identifies critical differences in how African peacebuilders have conceptualized and operationalized peacebuilding The book then considers how different actors sustain construct and use African infrastructure to identify and analyse converging differing or competing mandates approaches and interests Finally it analyses specific thematic issues such as gender justice development democracy and the politics of knowledge before ending with in depth analyses of case studies drawn from across the continent Bringing together an international line up of expert contributors this book will be an essential read for students and scholars of African politics post conflict reconstruction security and peace and conflict studies *U.S. Army War College Guide to National Security Issues: National security policy and strategy* J. Boone Bartholomees,Army War College (U.S.). Strategic Studies Institute,2012 Volume II continues the analyses and discussion of national security policy and strategy *Handbook of Food Security and Society* Martin Caraher,John Coveney,Mickey Chopra,2023-08-14 Events such as the COVID 19 pandemic and the war in Ukraine have drawn the subject of food security firmly into the public eye This timely Handbook examines and responds to this pertinent topic offering calculated solutions to food insecurity Exploring an international range of perspectives surrounding food security it illustrates clear links between food and broader social welfare policy and economic determinants **The Oxford Handbook of the South African Economy** Arkebe Oqubay,Fiona Tregenna,Imraan Valodia,2021-11-18 While sharing some characteristics with other middle income countries South Africa is a country with a unique economic history and distinctive

economic features It is a regional economic powerhouse that plays a significant role not only in southern Africa and in the continent but also as a member of BRICS However there has been a lack of structural transformation and weak economic growth and South Africa faces the profound triple challenges of poverty inequality and unemployment Any meaningful debate about economic policies to address these challenges needs to be informed by a deep understanding of historical developments robust empirical evidence and rigorous analysis of South Africa s complex economic landscape This volume seeks to provide a wide ranging set of original detailed and state of the art analytical perspectives that contribute to scientific knowledge as well as to well informed and productive discourse on the South African economy While concentrating on the more recent economic issues facing South Africa the handbook also provides historical and political context It offers an in depth examination of strategic issues in the country s key economic sectors and brings together diverse analytical perspectives

machines matlab simulink mathworks - Jan 28 2023

web model dynamics of three phase asynchronous machine also known as induction machine in si or pu units dc machine implement wound field or permanent magnet dc machine

self excited induction generator seig simulink - Sep 04 2023

web feb 1 2017 simulink modelling of self excited induction generator 4 9 10 1 9k downloads updated 1 feb 2017 view license follow download overview models

matlab simulink model of a stand alone induction generator - Feb 26 2023

web the induction generator and to describe the simulation results in matlab simulink environment ii stand alone induction generator model a induction machine dynamic model

matlab simulink model of a self excited induction generator for - Nov 25 2022

web this paper presents a matlab simulink dynamic model of an induction generator which makes simulation studies possible for the design of fuzzy logic controllers for the purpose of controlling the retarding torque output of the generator in an electrical brake application using the fuzzy logic toolbox of matlab

simulink implementation of induction machine model a modular - May 20 2022

web jun 4 2003 in this paper a modular simulink implementation of an induction machine model is described in a step by step approach with the modular system each block solves one of the model equations therefore unlike black box models all of the machine parameters are accessible for control and verification purposes

matlab simulink model of a stand alone induction generator - Apr 30 2023

web may 20 2004 this paper presents modeling simulation and optimization of an induction generator the induction machine is represented with a saturation adaptive induction machine dynamic model

simulink based modeling analysis and simulation - Mar 30 2023

web the proposed seig elc system consists of an induction generator capacitor bank consumer load and elc a dynamic model of the seig elc system with load static consists of modeling of the above subsystems as explained below modeling of seig the dynamic model of the three phase squirrel cage

[simulink model of induction generator operating in grid](#) - Mar 18 2022

web download scientific diagram simulink model of induction generator operating in grid connected mode from publication power quality issues of induction generators in different operating modes

dynamic simulation of self excited induction generator feeding motor - Aug 23 2022

web self excited induction generators seig are mostly exploited in isolated areas to generate electrical energy analyzing of a stand alone seig dynamic performan dynamic simulation of self excited induction generator feeding motor load using matlab simulink ieee conference publication ieee xplore

matlab simulink based on aβ modeling of self excited induction generator - Sep 23 2022

web this paper presents modeling of stand alone self excited induction generator used to operate under variable speeds prime mover the proposed dynamic model consists of induction generator excitation capacitor and inductive load model are expressed in stationary reference frame with the actual magnetizing saturation curve of the induction

the art of modeling and simulation of induction generator in wind - Dec 27 2022

web oct 1 2008 the model of an induction generator can have various orders such as 1 3 or 5 the fifth order model is considered to be a full order model for an induction generator the third order model ignores the stator dynamics and is widely used in power system transient stability analysis 7

simulink model of an induction generator matlab answers - Oct 05 2023

web feb 27 2018 answered muhammad ikhsan on 27 feb 2018 hi i m looking for a full simulink model of an induction generator for wind turbine i ve been looking for more than a month but i didn t find a model that suits my needs and i don t know to to make one

a matlab simulink model of self excited induction generator for - Oct 25 2022

web this paper presents a matlab simulink dynamic model of an induction generator which makes simulation studies possible for the design of fuzzy logic controllers for the purpose of controlling the retarding torque output of the generator in an electrical brake application using the fuzzy logic toolbox of matlab

modeling of a stand alone induction generator on load using matlab simulink - Jun 20 2022

web this paper proposes a matlab simulink model of a stand alone induction generator used in renewable source based power generation on load rotor and stator d q axis current has been chosen

wind farm doubly fed induction generator dfig matlab simulink - Jun 01 2023

web wind turbines using a doubly fed induction generator dfig consist of a wound rotor induction generator and an ac dc ac igt based pwm converter the stator winding is connected directly to the 60 hz grid while the rotor is fed at variable frequency through the ac dc ac converter

modelling and control of wind turbine doubly fed induction generator - Feb 14 2022

web dec 1 2017 this paper describes the modelling and control system of a wind turbine using a doubly fed induction generator this configuration makes the wind turbine suitable for variable speed wind

modeling of a stand alone induction generator on load using matlab simulink - Apr 18 2022

web aug 1 2012 this paper proposes a matlab simulink model of a stand alone induction generator used in renewable source based power generation on load rotor and stator d q axis current has been chosen

simulink model of three phase induction motor mathworks - Jul 02 2023

web apr 27 2012 simulink model of three phase induction motor this is a complete simulink model of a three phase induction motor this model depicts all the aspects of a three phase induction motor starting from input three phases up to the electromagnetically generated torque and speed

self excited induction generator newcastle university - Jul 22 2022

web allowing for the cross saturation nonlinear effect a mathematical simulink axis model of the seig system utilising currents as state space variables is 2 3 3 nonlinear induction generator modelling based on the h g diagram 17 2 3 4 nonlinear induction generator modelling based on the skin effect 18
