Democratic Federalism Robert P. Inman, Daniel L. Rubinfeld, 2023-09-26 Federalism defined generally as a collection of self governing regions under a central government is widely viewed as a sensible choice of polity both for emerging democracies and for established states But while federal institutions are positively correlated with valued economic democratic and justice outcomes ultimately it is unclear how they are connected and which cause which In Democratic Federalism Robert Inman and Daniel Rubinfeld explore how federalism works and propose concrete and proven policy guidance on how federalist policies can be designed and implemented successfully The authors define federalism according to three parameters how much federal revenue comes through local governmental bodies the number of local governmental bodies and the extent to which these local bodies are represented federally In applying these parameters to economic concepts and theory Inman and Rubinfeld explain how federalism works in a way meant to engage scholars in political science and sociology and policymakers drafting regulation in federalist governments The book offers applicable ideas and comparative case studies on how to assess potential policies and how to actually design federalist institutions from scratch Both authors have real experience with both most notably in their work advising the South African government on how to build a federalist democracy This book will be an essential guide to understanding and applying federalist concepts and principles

Journal of the House of Representatives of the United States United States. Congress. House, 2010 Some vols include supplemental journals of such proceedings of the sessions as during the time they were depending were ordered to be kept secret and respecting which the injunction of secrecy was afterwards taken off by the order of the House

Monthly Catalog of United States Government Publications ,1970
Responsible Government and the Australian Constitution Benjamin B Saunders,2023-06-15 This book looks at responsible government under the Australian Constitution It undertakes a detailed examination of the history leading to the incorporation of responsible government into the Constitution examining the political history and constitutional ideas which informed the framers views It draws on this history to develop a theory of responsible government and explore its

implications for the interpretation of the Constitution and the structure of modern government in Australia The book fills a major gap in our knowledge of the intellectual background of the Australian Constitution by explaining the constitutional ideas that have shaped the text and structure of the Australian Constitution It contributes to worldwide debates about constitutional interpretation by showing how rigorous use of history can lead to novel interpretations of constitutions without being tied to the dead hands of the founders

International Arbitration and the COVID-19 Revolution Maxi Scherer, Niuscha Bassiri, Mohamed S. Abdel Wahab, 2020-11-17 International Arbitration and the COVID 19 Revolution Edited by Maxi Scherer Niuscha Bassiri arbitrator appointments issues of planning preparation and sample procedural orders witness preparation and cross examination e signature of arbitral awards setting aside and enforcement proceedings and third party funding Also included are an empirical survey of users views and an overview of how the COVID 19 revolution has affected the arbitration rules of leading arbitral seats With this timely and practical book arbitration practitioners and scholars will gain up to date knowledge of sector specific challenges brought about by the COVID 19 pandemic and approach arbitration proceedings with an understanding of the most important legal and practical considerations during the crisis and beyond

State Fragility Around the World Laurie A. Gould, Matthew Pate, 2016-02-24 Failed and fragile states often govern through the criminalization of otherwise inconsequential or tolerated acts These weak states also frequently use kidnapping murder and other violent or oppressive tactics to maintain order and stay in power State Fragility Around the World Fractured Justice and Fierce Reprisal analyzes the path to state f

Maternity Services and Policy in an International Context Patricia Kennedy, Naonori Kodate, 2015-01-09 This book is the first comprehensive international overview of maternity services Drawing on concepts of risk and social citizenship it explores the relationship between welfare regimes and health policy by comparing and contrasting provision for childbearing women Each substantive chapter focuses on a different country presenting detailed contextual information on health care provision maternity interventions and birth outcomes there They discuss key issues such as birth rates and fertility patterns the role of patient choice attitudes to place of birth and maternity entitlements among others and the countries covered represent diverse welfare regimes including Ireland Scotland Sweden the Netherlands Germany Italy Japan the United States Canada Australia and New Zealand An extended introduction and a conclusion draw the book together and place it in the context of the literature on comparative welfare regimes It is an important reference for students and academics interested in comparative social policy health services research and maternity services and policies

Climate Change 2014: Mitigation of Climate Change Ottmar Edenhofer, 2015-01-26 This latest Fifth Assessment Report of the IPCC will again form the standard reference for all those concerned with climate change and its consequences

Urban Politics Myron Levine, 2015-02-20 This popular text mixes classic theory and research on urban politics with the most recent developments and data in urban and metropolitan affairs Its balanced and realistic approach helps students understand the nature of urban politics and the difficulty of finding

effective solutions in a suburban and global age The ninth edition has been thoroughly rewritten and updated with a continued focus on economic development and race plus renewed attention to globalization gentrification and changing demographics Boxed case studies of prominent recent and current urban development efforts provide material for class discussion and concluding material demonstrates the tradeoff between more ideal and more pragmatic urban politics Key changes in this edition include Every chapter has been thoroughly updated and rewritten The Ninth Edition reflects the most current census data and the newest trends in such areas as the new immigration suburbanization gentrification and big city revivals There is coverage of the big city pension crisis and politics in Stockton Detroit and other cities facing possible bankruptcy A brand new opening chapter introduces the concepts of the Global City the Entertainment City and the Bankrupt City New photos and boxes appear throughout the book Increased coverage of policies for sustainable urban development
