

Exercise 2. Exercise Assignment 2.2 in problem assignment 2

These assignments together with the following assignments emphasize the importance of being systematic in your work and organizing. For this assignment you will read the articles cited and answer the related questions listed below.

Assignment Guidelines

1. You must complete all work individually.
2. Submit your written responses for all questions in the assignment with your answer identifying the question number. Your written responses should include complete, correct and concise answers that are easy to read and well organized.
3. Answer questions. When you will answer the questions, integrate concepts from the articles that explain those concepts in your answers. I am not looking for a list of technical points, rather a demonstration of your understanding of the ideas, process and/or the article. Think that you will be demonstrating your ability to just answer better than the quality of points.
4. Submit your completed assignment in the appropriate place as provided by Canvas April 24, 2024 at 11:59 pm.
