Information Concerning ... for the United States Air Force Academy United States Air Force Academy,2004 Guided error correction. Exercises for advanced Spanish-speaking learners of English. Book 1. Kennedy-Scanlon, Michael,Pladevall-Ballester, Elisabet,Cebrian, Juli,2024-10-09 This book is the result of years of experience teaching English to Spanish undergraduates studying for a degree in English Language and Literature The focus of the book reflects the assumption that a large majority of the mistakes made by advanced level learners are the result of interference from their native language The approach adopted in this book is based on the idea that correcting one s own mistakes involves two

separate operations namely first recognising the error as such and then providing the correction for it In the first two thirds of the book errors are explicitly identified for the learner whose task is simply to correct the errors In the final third however learners must carry out both operations It is this two step approach that the term guided error correction tries to reflect In order to provide sufficient practice each of the errors all characteristic of Spanish speakers learning English occurs on six separate occasions in the book In addition the book includes a section of brief explanatory notes at the back of the book where each of the errors is explained with Spanish translations provided to enhance comprehension of nuances in meaning These notes are cross referenced with each error in the exercises for handy referral but at the same time represent in themselves a compact reference source for common errors This book will be useful for advanced level Spanish speaking learners of English in any context though it has been designed primarily not for systematic consecutive classroom use but rather as a series of self correcting one page exercises that can be pursued sporadically at the learner s convenience This book is part of a series of three books *Teaching English in a Spanish Setting* Hang Ferrer Mora,2001 [Honour of Kings Spanish 1 Answer Key](#) Ellen Gerwitz,2013-01-08 This is the ANSWER KEY to the textbook HONOUR OF KINGS SPANISH 1 This text can be purchased via our website at www.honourofkings.com Honour of Kings Spanish I provides 19 weekly lessons seven tests a study guide and a final exam Because understanding the building blocks of a language is the first step towards fluency students will be introduced to Spanish grammar in a simple and logical approach throughout the course Students will build skills in reading writing vocabulary and translation By the end of the first year of Spanish students should have a basic working knowledge of the language They will be comfortable using the present tense and using a dictionary to translate texts from Spanish to English and vice versa Parents may choose to use this curriculum on their own or sign up their student for one of Honour of Kings online learning programs
