

Taking One for the Team

We practiced together,
sweat and stained.

We pummeled each other
and laughed off pain.

Teams may disagree,
may tease,
may blame.

Teams may bicker and whine,
but get down for the game.

You had my back.
We fought the fight.
And though our score
was less last night,
we're walking tall.

Our team came through
and stuck together like Crazy
Glue.

I'm proud to say
I lost with you.

One Team on All Levels Tim Turner, 2011-09-07 Written by actual Toyota team members One Team on All Levels Stories from Toyota Team Members Second Edition is not another technical explanation of the Toyota Production System TPS Rather it illustrates the culture it creates The stories told by employees from various levels of the organization illustrate how Toyota's presence in Kentucky Success Depends on the Animals Diana L. Ahmad, 2016-02-16 Between 1840 and 1869 thousands of people crossed the American continent looking for a new life in the West Success Depends on the Animals explores the relationships and encounters that these emigrants had with animals both wild and domestic as they traveled the Overland Trail In the longest migration of people in history the overlanders were accompanied by thousands of work animals such as horses oxen mules and cattle These travelers also brought dogs and other companion animals and along the way confronted unknown wild animals Ahmad's study is the first to explore how these emigrants became dependent upon the animals that traveled with them and how for some this dependence influenced a new way of thinking about the human animal bond The pioneers learned how to work with the animals and take care of them while on the move Many had never ridden a horse before let alone hitched oxen to a wagon Due to the close working relationship that the emigrants were forced to have with these animals many befriended the domestic beasts of burden even attributing human characteristics to them Drawing

on primary sources such as journals diaries and newspaper accounts Ahmad explores how these new experiences influenced fresh ideas about the role of animals in pioneer life Scholars and students of western history and animal studies will find this a fascinating and distinctive analysis of an understudied topic *Cert Basic Training Instructor's Guide* Government Publishing Office,2017-11-15 FEMA s Community Emergency Response Team CERT Basic Training Instructor Guide is a critical program in the effort to engage everyone in America in making their communities safer more prepared and more resilient when incidents occur Community based preparedness planning allows you and others interested from your community to prepare for and respond to anticipated disruptions and potential hazards following a disaster As individuals we can prepare our homes and families to cope during that critical period Through pre event planning neighborhoods and worksites can also work together to help reduce injuries loss of lives and property damage Neighborhood preparedness will enhance the ability of individuals and neighborhoods to reduce their emergency needs and to manage their existing resources until professional assistance becomes available The purpose of the CERT Basic Training is to provide you and others in your community who complete this course with the basic skills that they will need to respond to their community s immediate needs in the aftermath of a disaster when emergency services are not immediately available This course will be beneficial to individuals who desire the skills and knowledge required to prepare for and respond to a disaster Instructors for these community courses usually range from skilled fire and rescue instructors that have completed the CERT Train the Trainer course and are knowledgeable about the CERT model different types of hazards that present greatest risks for communities local building structures that may present greatest hazard in disaster events community s emergency operation plans and licensed Paramedics or Emergency Medical Technicians and nurses for providing hands on knowledge relating to disaster medical operations Related items FEMA s companion product CERT Basic Training Participant Manualcan be found here <https://bookstore.gpo.gov/products/sku/027-002-00627-5> Emergency Management First Responders publications can be found here <https://bookstore.gpo.gov/catalog/security-defense-law-enforcement/emerg> Audience As each CERT is organized and trained in accordance with standard operating procedures developed by the sponsoring agency its members select an Incident Commander Team Leader IC TL and an alternate and identify a meeting location or staging area to be used in the event of a disaster This publication is ideal for the chosen IC TL and members of the CERT may want to consult this manual to understand the responsibilities of the IC TL **Municipal Engineering** ,1915 *Western Weekly Reports* ,1929 *The Sportswoman* Constance M.
