Women and the Mafia Giovanni Fiandaca,2007-09-04 The insightful essays in this book shine a new light on the roles of women within criminal networks roles that in reality are often less traditional than researchers used to think The book seeks to answer questions from a wide range of academic disciplines and traces the portrait of women tied to organized crime in Italy and around the world The book offers up accounts of mafia women and also tales of severe abuse and violence against women

Women of the Mafia Felia Allum,2024-07-15 Winner of the International Association for the Study of Organized Crime Book Award Women of the Mafia dives into the Neapolitan criminal underworld of the Camorra as seen and lived by the women who inhabit it It tells their life stories and unpacks the gender dynamics by examining their participation as active agents in the organization as leaders managers foot soldiers and enablers Felia Allum shows that these women are true partners in crime The author offers an innovative interdisciplinary analysis that demystifies the notion that the Camorra is a sexist male centric organization She links her analysis of Camorra culture within the wider Neapolitan context to show how mothers and women act and are treated in the private sphere of the household and how the family helps explain the power women have found in the Neapolitan Camorra It is civil society and law enforcement agencies that continue to see the Camorra using traditional gender assumptions which render women irrelevant and lacking independent agency in the criminal underworld In Women of the Mafia Allum debunks these assumptions by revealing the power and influence of women in the Camorra

 Massari,Vittorio Martone,2018-11-08 Using in depth field research and analysis of case studies Mafia Violence Political
 Symbolic and Economic Forms of Violence in Camorra Clans focuses attention on the phenomenon of violence performed by
 Italian organised crime groups devoting specific attention to the Camorra which has been responsible since the mid 1980s
 for almost half of all mafia homicides documented in Italy The Camorra has acquired increased visibility at an international
 level due to its intense use of violence and high level of dangerousness but until now the study of the different forms of
 violence implemented by mafias has not received systematic attention at the scientific level Hence this book fills this gap by
 providing a both theoretical and empirical contribution toward the analysis of one of the most unknown although highly
 visible and dangerous dimension of mafias action This collection of work by distinguished scholars provides a unique
 overview of the multifaceted characteristics of violence currently performed by mafia groups in Italy by focusing on specific
 actors i e Camorra clans but also other traditional mafia organisations such as Cosa Nostra and Ndrangheta specific contexts
 i e different territories and different markets both legal and illegal and specific practices and performances Part I takes a
 diachronic and comparative perspective to provide an overview of mafias violence during the past 30 years focusing on the
 three most prominent criminal organisations active in Italy Camorra Cosa Nostra and Ndrangheta Based on the outcomes of
 a major project carried out by a research group at the University of Naples Federico II from 2015 to 2017 Part II looks at the
 use of violence by Camorra clans incorporating information from case studies judicial files law enforcement investigations
 wiretappings interviews with privileged observers firsthand empirical data and historical documents and social sciences
 literature Using a multi disciplinary approach drawing from criminology sociology history anthropology economics political
 science and geography this book is essential reading for international researchers and practitioners interested in piecing
 together the full picture of modern organised crime Mafia Life Federico Varese,2017-06-29 We see mafias as vast
 powerful organisations harvesting billions of dollars across the globe and wrapping its tentacles around everything from
 governance to finance But is this the truth Travelling from mafia initiation ceremonies in far flung Russian cities to elite
 gambling clubs in downtown Macau Federico Varese sets off in search of answers Using wiretapped conversations interviews
 and previously unpublished police records he builds up a picture of the real men and women caught up in mafia life showing
 their loves and fears ambitions and disappointments as well as their crimes Mafia Life takes us into the real world of
 organised crime where mafia henchmen worry about their bad managers and have high blood pressure assassinations are

bungled as often as they come off and increasing pressure from law enforcement means that a life of crime is no longer lived in the lap of luxury As our world changes so must the mafia Globalisation migration and technology are disrupting their traditions and threatening their revenue streams and the mafiosi must evolve or die Mafia Life is an intense and totally compelling look at an organisation and the daily life of its members as it gets to grips with the modern world Out now in paperback

 Capone Salvatore Giuliano Lucky Luciano Ciro Di Marzio Roberto Saviano Don Vito and Michael Corleone and Tony Soprano
 are some of the historical and fictional figures that contribute to the myth of the Italian and Italian American mafias
 perpetuated onscreen This collection looks at mafia movies and television over time and across cultures from the early
 classics to the Godfather trilogy and contemporary Italian films and television series The only comprehensive collection of its
 type Mafia Movies treats over fifty films and TV shows created since 1906 while introducing Italian and Italian American

 and stardom **Gangster Ways ~autofilled~** , *The Most Elusive Scent of All* Arthur Winarczyk,2013-05-23 A tale told
 by a dimension a living consciousness to which some psychic minds are attune to A tale about the Sicilian Mafia in the 18th
 century The consciousness projects mental images of this period Images of people faces rarely distinct in different situations
 The opening words of Chapter 8 is one way to explain such projections With night came a fierce storm with thunder and
 lightning and dark visions Maria slept poorly tossing and turning The tale is developed to fit cohesively into those images A
 tale about a Way of Life not about organized crime In the depression of the 1930s it was the gangster Al Capone who
 organized soup kitchens for hungry children in Chicago USA such a compassionate deed Why To aid the very poor is as much
 a trait of the Sicilian Mafia as are profits from prostitution Prostitution always has been one of the largest sources of revenue
 for the Mafia The Mafia Way of Life is not easily understood One reason is that word Mafia is a modern invented word This
 tale is about the people that became part of the Mafia in that period about their background and what led them to accept this
 Way of Life People like Pedro an ox of a man and bodyguard or Paulo so talented and saving the life of a woman who would
 become his wife sets him on a path of no return of Anastasia and Romeo a high class prostitute and a killer who fall in love
 Central to the tale is the seduction of the first Mafia priest which begins with mysterious notes slid under the church door in

a room full of women I saw her face When the Vatican hears a whisper in the wind young Sister Lucy becomes the key to solving the mystery what does Mafia want with our priests Some still want the Sicilian Mafia to be a myth but read a modern researched book such as Into the Heart of the Mafia by David Lane and the question you may ask is not who in Sicily is Mafia but who is not It is a Way of Life ancient in origin The reader needs to bear in mind too that the original woman's perfumes could only be made from an essence of a flower found on a tree that only grows in Italy Thus the Most Elusive Scent mentioned all too often could have been the first true perfume ever discovered Any wonder that scent had a powerful effect on men And if we were to ask the Sicilian Mafia dimension what is the one word that can best explain Sicilian Mafia the answer is si Italian for yes Only a born Sicilian can say si and cosa nostra our thing our way the Mafia way of saying those words In Sicily there is even a Mafia cosa nostra museum and it is ever so popular with tourists
