Tales From The Dad Side:

Tales from the Dad Side Steve Doocy, 2008-10-07 The co host of Fox Friends and author of the bestseller The Mr Mrs Happy Handbook offers hilarious and helpful advice on fatherhood

Tales from the Dad Side Steve Doocy, 2009-10-06 What you're holding in your hands is a very funny and sometimes poignant look at fathers. It's filled with stories of what it's been like as a dad and a son from a child's first day of kindergarten to the awkward sex talk right up to the day the always practical dad tries to pay for college with bonus miles. While bookstores are filled with tales of mothers, their children, and families, there are so few from the dad's side. Now, as a public service, I'm doing my part to right this wrong.

Tales of Their Lives Daphne Field, 2023-02-09 The family biographies I have written are the stories of my ancestors, our ancestors. How they lived, how they struggled, being surrounded by their families, their social history and geography until their eventual death. Some died prematurely, while others lived long, long lives. The stories are wrapped around photographs and pictures which bring the text to life. Names, dates, and places are factual. I have, however, taken liberties to add conversations as I imagined they would have. This book is incomplete because inevitably we will discover more facts and insights. My legacy to you. Tales from the Dad Side John Cospo, 2020-05-20 Once upon a time there was a dad who didn't want to tell the same old bedtime stories. Sure, he loved fairy tales as much as the next guy, but why tell the same old stories about pigs and bears and princesses when you can make up your own? **TALES FROM THE DAD SIDE** is what happens when a dad and his kids decide to make up their own stories. Screenwriter and author John Cospo and his kids created a collection of stories featuring pigs, wolves, dogs, cats, robots, chickens, parrots, monsters, dragons, aliens, cockroaches, princesses, honey badgers, Star Wars haters, and one really, really angry bird. This newly revised edition includes ten brand new stories with more twisted fairy tales, aliens, and even a Christmas story. It also includes twelve pages of original art work by the kids who inspired the stories. Always funny, sometimes meaningful, and always entertaining, **TALES FROM THE DAD SIDE** is a great

The ZANE GREY Ultimate Collection presents an unparalleled compilation of over sixty works showcasing the literary prowess of an iconic figure in American literature. This anthology encompasses a diverse range of genres including historical novels, Western classics, adventure tales, and even baseball stories, thus reflecting Grey's versatility and rich storytelling craft. His vivid prose and immersive narrative style transport readers to the untamed landscapes of the American West while also drawing them into the intricacies of human experience, morality, and exploration. Each piece is steeped in a deep understanding of the American spirit and the cultural contexts of their times, making this collection a quintessential resource for both casual readers and scholars alike.

Zane Grey (1872-1939) was not only a prolific writer but also a passionate outdoorsman whose adventures in American wilderness informed much of his fiction. His experiences as a dentist combined with his fascination for the rugged life of cowboys and the allure of historical narratives deeply shaped his narrative voice. Grey's commitment to authenticity in his storytelling is evident throughout his works, and his life experiences uniquely position him to explore themes of adventure, love, conflict, and reconciliation within the American landscape. I highly recommend the ZANE GREY Ultimate Collection to readers who seek an expansive and profound understanding of early 20th-century American literature. This extensive anthology not only serves as an introduction to Grey's significant contributions but also provides an engaging journey through the complexities of American identity and adventure. In this collection, both long-time fans and new readers will find themselves captivated by the enduring spirit and storytelling genius of Zane Grey.

Terry's Tales Terence Alvares, 2021-12-13

Terry's Tales is a collection of stories everyone can relate to. The characters are common people traversing through life, and in those journeys, there are moments where they touch another person. These moments leave long-lasting memories: memories of love, peace, joy, and hope. The stories in this book capture those moments and the drama in all their human frailty, warmth, and emotions. Each story will leave the reader feeling connected to moments in their own lives and a sense of belief in relationships and humanity. The locations and the characters in these stories span across continents, cultures, and age groups, but the thread of common humanity runs through all of them. Themes include a rich mix of romance, family relationships, encounters, partings, and humour.

Crazy as a Run Over Dog . . . But Don't Blame it all on the Animals Mike Rowland, 2014-04-30

For many of us, life is about the stories that make up our past, provide context for the present, and give hope for our future. As an art form, storytelling has fallen victim to the smart

phone the computer tablet and the video game We just don't take time anymore to pass along the stories that define our culture our heritage and our character Crazy as a Run Over Dog is one man's attempt to renew the tradition of legacy building by telling the stories of everyday experiences that remind us we are all more alike than we are different
