

A black and white photograph of a young boy, likely a child actor, sitting at the helm of a ship. He is wearing a light-colored, short-sleeved button-down shirt and a dark sailor's cap. He is looking off to the side with a serious expression. His hands are resting on the spokes of a large wooden ship's wheel. The background shows the rigging and sails of the ship, suggesting a nautical setting.

Pacific Short Story Club Magazine, 1914 Michener's South Pacific Stephen J. May, 2011-03-20 The creation of one of the most beloved books and Broadway musicals of the century When the Japanese military attacked Pearl Harbor James A Michener was an obscure textbook editor working in New York Within three years he was a naval officer stationed in the South Pacific By the end of the decade he was an accomplished author well on the way to worldwide fame Michener's first novel Tales of the South Pacific won the Pulitzer Prize Richard Rodgers and Oscar

Hammerstein used it as the basis for the Broadway musical *South Pacific* which also won the Pulitzer Prize. How this all came to be is the subject of Stephen May's *Michener's South Pacific*. An award-winning biographer of Michener, May was a featured interviewee on the fiftieth anniversary DVD release of the film version of the musical. During taping he realized there was much he didn't know about how Michener's experiences in the *South Pacific* shaped the man and led to his early work. May delves deeply into this formative and turbulent period in Michener's life and career using letters, journal entries, and naval records to examine how a reserved middle-aged lieutenant known as Prof to his fellow officers became one of the most successful writers of the twentieth century.

South Pacific Jim Lovensheimer, 2010-08-26 *Rodgers and Hammerstein's Tony and Pulitzer Prize-winning musical South Pacific* has remained a mainstay of the American musical theater since it opened in 1949 and its powerful message about racial intolerance continues to resonate with twenty-first century audiences. Drawing on extensive research in the Rodgers and the Hammerstein papers including Hammerstein's personal notes on James A. Michener's *Tales of the South Pacific*, Jim Lovensheimer offers a fascinating reading of *South Pacific* that explores the show's complex messages and demonstrates how the presentation of those messages changed throughout the creative process. Indeed, the author shows how Rodgers and especially Hammerstein continually refined and softened the theme of racial intolerance until it was more acceptable to mainstream Broadway audiences. Likewise, Lovensheimer describes the treatment of gender and colonialism in the musical, tracing how it both reflected and challenged early Cold War Era American norms. The book also offers valuable background to the writing of *South Pacific*, exploring the earlier careers of both Rodgers and Hammerstein, showing how they frequently explored serious social issues in their other works and discussing their involvement in the political movements of their day, such as Hammerstein's founding membership in the Hollywood Anti-Nazi League. Finally, the book features many wonderful appendices, including two that compare the original draft and final form of the classic songs "I'm Gonna Wash That Man Right Outa My Hair" and "I'm In Love With a Wonderful Guy." Thoroughly researched and compellingly written, this superb book offers a rich, intriguing portrait of a Broadway masterpiece and the era in which it was created.

Pacific Affairs, 1928 Includes book reviews and bibliographies

Tales of the South Pacific James Albert Michener, 1947 The stories upon which the Broadway musical *South Pacific* is based explore the people and beauty of the Pacific's Coral Islands as seen through the eyes of a young naval lieutenant.

Hollywood's South Seas and the Pacific War S. Brawley, C. Dixon, 2012-08-06 This book explores the expectations, experiences, and reactions of Allied servicemen and women who served in the wartime Pacific and viewed the *South Pacific* through the lens of Hollywood's *South Seas*. Based on extensive archival research, it explores the intersections between military experiences and cultural history.

Pacific Places, Pacific Histories Brij V. Lal, 2004-04-30 Places matter. We are shaped by them, and in turn we shape them physically and imaginatively. They connect us to time and locality, perhaps even to life and death itself. This is a book about places and how our engagement with them, in complex, changing, and varied forms, transforms our

understanding of them of ourselves of the human condition itself Pacific Places Pacific Histories brings together leading Pacific Islands studies scholars and invites them to talk about the places they have inhabited and to contemplate the meaning of that experience The result is a veritable collage of reflections distinct and different from each other but moving in their collective impact Our engagement with places becomes daily more complicated with the transnational movement of peoples ideas technologies and cultures Global capitalism relentlessly alters established ethnographic assumptions about the meaning and importance of where we are and have been The essays presented here are about letting go learning and unlearning transgressing physical emotional and intellectual boundaries They are about personal quests narrated in distinctive voices raising particular concerns Together they contribute significantly to our understanding of how small islands in a vast ocean enable us to see ourselves and the world around us

Pacific Islands Writing Michelle Keown, 2007-10-04 The Oxford Studies in Postcolonial Literatures series offers stimulating and accessible introductions to definitive topics and key genres and regions within the rapidly diversifying field of postcolonial literary studies in English The first book of its kind Pacific Islands Writing offers a broad ranging introduction to the postcolonial literatures of the Pacific region Drawing upon metaphors of oceanic voyaging Michelle Keown takes the reader on a discursive journey through a variety of literary and cultural contexts in the Pacific exploring the Indigenous literatures of Polynesia Melanesia and Micronesia and also investigating a range of European or Western writing about the Pacific from the adventure fictions of Herman Melville R L Stevenson and Jack London to the P keh European settler literatures of Aotearoa New Zealand The book explores the relevance of international postcolonial theoretical paradigms to a reading of Pacific literatures but it also offers a region specific analysis of key authors and texts drawing upon indigenous Pacific literary theories and sketching in some of the key socio historical trajectories that have inflected Pacific writing Well established Indigenous Pacific authors such as Albert Wendt Witi Ihimaera Alan Duff and Patricia Grace are considered alongside emerging writers such as Sia Figiel Caroline Sinavaiana Gabbard and Dan Taulapapa McMullin The book focuses primarily upon Pacific literature in English the language used by the majority of Pacific writers but also breaks new ground in examining the growing corpus of francophone and hispanophone writing in French Polynesia New Caledonia and Easter Island Rapa Nui
