The Youth's Magazine; Or, Evangelical Miscellany , The Eden Express Mark Vonnegut, M.D.,2008-12-18 One of the best books about going crazy required reading for those who want to understand insanity from the inside The New York Times Book Review Mark Vonnegut set out in search of Eden with his VW bug his girlfriend his dog and his ideals But genetic predisposition and a whole lot of going down made Mark Vonnegut crazy in a culture that told him mental illness is a myth and schizophrenia is a sane response to an insane society Here he tells his story with the eyes that see from the inside out a moving remembrance of an era and a revealing look at mental illness and getting well again **Voices from Mariel** José Manuel García,2018-02-16 Between April and September 1980 more than 125 000 Cuban refugees fled their homeland seeking freedom from Fidel Castro s dictatorship They departed in boats from the port of Mariel and braved the dangerous 90 mile journey across the Straits of Florida Told in the words of the immigrants themselves the stories in Voices from Mariel offer an up close view of this international crisis the largest oversea mass migration in Latin American history Former refugees describe what it was like to gather among thousands of dissidents on the grounds of the Peruvian embassy in Cuba where the movement first began They were abused by the masses who protested them as they made their way to the Mariel harbor before they were finally permitted to leave the country by Castro in an attempt to disperse the civil unrest They waited interminably for boats in oppressive heat squalor and desperation at the crowded tent camp known as El Mosquito

They embarked on vessels overloaded with too many passengers and battled harrowing storms on their journeys across the open ocean Author Jose Manuel Garcia who emigrated on the Mariel boatlift as a teenager describes the events that led to the exodus and explains why so many Cubans wanted to leave the island The shockingly high numbers of refugees who came through immigration centers in Key West Miami and other parts of the United States was a message loud and clear to the world of the people's discontent with Castro's government and the unfulfilled promises of the Cuban Revolution Based on the award winning documentary of the same name *Voices from Mariel* features the experiences of marielitos from all walks of life These are stories of disappointed dreams love for family and country and hope for a better future This book illuminates a powerful moment in history that will continue to be felt in Cuba and the United States for generations to come *Not Even the Black Sea...* Milan Vigneich, 2021-12-29 This tells the story of the author's family from his great grandfather and his life in Montenegro at the end of the nineteenth century through to Milan's family's arrival in Australia after years of struggle with Soviet officialdom It takes place over four continents Europe The Soviet Union America and Australia Milan's father Jukan was born in Bosnia but took Russian citizenship after being sent to a Soviet military academy after the Second World War It was there in Odessa that he met Klara who was to become his wife Jukan was brought up on a farm in rural Bosnia where life was hard Jukan's grandparents were the most important influences in Jukan's life Jukan left the family farm and worked in many different jobs from tree cutting to forest warden but because of something that happened when he was about sixteen he ended up in the infamous jail Zenica He was here when war broke out He became a leading member of the Bosnian resistance which finally saw the Germans defeated This story blends the lives of other important people in Jukan and Klara's lives but most of all it tells about Jukan and Klara's love and determination their strengths and the lengths they went to in order to provide the best for their family This story is about Jukan and Klara's life both before and after their marriage at times of war and peace and as amazing as it seems on reading about the things that happened at this time Milan assures that every word is true
