Analyzing Information on Women-Owned Small Businesses in Federal Contracting National Research Council,Division of Behavioral and Social Sciences and Education,Committee on National Statistics,Steering Committee for the Workshop on Women-Owned Small Businesses in Federal Contracting,2005-03-28 It has been clear for at least 50 years the disadvantages that small businesses face in competing for U S government contracts The Small Business Act of 1953 created the Small Business Administration SBA an independent agency in the executive branch that counsels and assists specific types of small businesses including firms owned by minorities and other socially and economically disadvantaged individuals and firms owned by women Women owned small businesses however are underrepresented or substantially underrepresented in some industries In 2002 the SBA Office of Federal Contract Assistance for Women Business Owners CAWBO organized a draft study containing a preliminary set of approximations of the representation of women owned small businesses in federal prime contracts over 25

000 by industry Because of the past legal challenges to race and gender conscious contracting programs at the federal and local levels the SBA asked the Committee on National Statistics of the National Academies to conduct an independent review of relevant data and estimation methods prior to finalizing the CAWBO study The Steering Committee on Women Owned Small Businesses in Federal Contracting was created and charged with holding a workshop to discuss topics including the accuracy of data and methods to estimate the use of women owned small businesses in federal contracting and the definition of underrepresentation and substantial underrepresentation in designating industries for which preferential contracting programs might be warranted Analyzing Information on Women Owned Small Businesses in Federal Contracting presents the committee s report as well as the recommendations that committees have made Court Decisions Relating to the National Labor Relations Act United States. National Labor Relations Board,1986 **Instruction Manual** ,1982 **Windows onto Jewish Legal Culture** Hanina Ben-Menahem,Arye Edrei,Neil S.
