Sounds Of Burned Silence:

The Sound of Silence Nancy Epton, 2024-01-11 The Sound of Silence explores how non verbal communication in film shown primarily through the acting of Ryan Gosling provides an expressive space in which passive audience viewing is made more active by removing the expository signifier of dialogue The German Expressionist era may have been brief but the shadows cast since its end nonetheless loom large The silhouetted cigar wielding men of film noir and their respectively dark doom laden haunts mirror the angst inducing atmospheres of their forebearers while also introducing the now familiar figure of the silent hero Considering the numerous silent hero actors in film history there s one that stands out in the 21st century like no other Ryan Gosling His later career has seen some of the most iconic silent heroes of the past decade with films such as Drive Only God Forgives Blade Runner 2049 and First Man cementing him as the go to guy for a monosyllabic taciturn and moody hero whose actions speak louder than words This book argues that it is Gosling s expressive capabilities that keep audiences compelled by his performances With the use of non verbal silence combined with its counterbalance sound a more active emotive audience response can be achieved Looking further into this idea through theorists such as Michel Chion and Susan Sontag the book demonstrates that the sound of silence is one of the most meaningful cinematic sounds of all

Robert Sarah,2017-03-30 Now with a new afterword by Pope emeritus Benedict XVI In a time when technology penetrates our lives in so many ways and materialism exerts such a powerful influence over us Cardinal Robert Sarah presents a bold book about the strength of silence The modern world generates so much noise he says that seeking moments of silence has become both harder and more necessary than ever before Silence is the indispensable doorway to the divine explains the cardinal in this profound conversation with Nicolas Diat Within the hushed and hallowed walls of the La Grande Chartreux the famous Carthusian monastery in the French Alps Cardinal Sarah addresses the following questions Can those who do not know silence ever attain truth beauty or love Do not wisdom artistic vision and devotion spring from silence where the voice of God is heard in the depths of the human heart After the international success of *God or Nothing* Cardinal Sarah seeks to restore to silence its place of honor and importance Silence is more important than any other human work he says for it expresses God The true revolution comes from silence it leads us toward God and others so as to place ourselves humbly and generously at their service

THE SON OF SILENCE: SHE WATCHED THE WORLD BURN, AND STILL CHOSE TO GIVE BIRTH. Eros Jaideven,2025-05-30 She watched the world burn and still chose to give birth This is not a book about faith This is a book about what comes after the faith breaks About what s left when prayers fade into silence and silence answers back The Son of Silence revisits an ancient story through a radically human lens You think you know the tale You ve heard it before in temples in whispers in dusty pages written by men But this time it s the silence that speaks This is the journey of a woman silenced by history A man torn between divine expectation and human emotion A love that shouldn t exist yet grows in the shadows of trauma and prophecy In this version saints are not untouchable Angels don t always come with wings And demons often wear the face in the mirror You ll meet characters who bleed who doubt who ache for a peace that never comes You ll walk through pages that echo with ancestral wounds forbidden desire and sacred contradictions There is romance here raw broken beautiful There is drama not made of miracles but of the cost they leave behind And there is emotion pulsing in every word every choice every silence Each chapter peels a layer of myth to reveal the skin underneath The tenderness of rebellion The softness inside the scream The moment a mother decides to hold her child even when she knows the world is unworthy This book does not promise answers It won t make you feel safe But it will make you feel Because before there were gods prophets or wars There was a woman And her silence And a son who came from both This is The Son of Silence And if you think you know the story you haven t heard it like this
