E. Morgan, 2009-03-31 One summer a young woman travels with her lover to the isolated tobacco farm he has inherited after his family dies in a terrible accident As Orren works to save his family farm from drought Aloma struggles with the loneliness of farm life and must find her way in a combative erotically charged relationship with a grieving taciturn man A budding friendship with a handsome and dynamic young preacher further complicates her growing sense of dissatisfaction As she considers whether to stay with Orren or to leave she grapples with the finality of loss and death and the eternal question of whether it is better to fight for freedom or submit to love *All the Living* has the timeless quality of a parable but is also a perfect evocation of a time and place a portrait of both age old conflicts and modern life It is

an ode to the starve acre Southern farm the mountain landscape and difficult love In her lyrical and moving debut novel *C E Morgan* recalls both the serenity of Marilynne Robinson and the shifting emotional currents and unashamed eroticism of James Salter It is an unforgettable book from a major new voice *Abandoned Princess' Farm Space* Mei WuZiTong, 2020-10-13 Lu Xueyan had reincarnated into someone else's body Moreover the original owner was feeling a bit sad It was fine if she was an Imperial Concubine but she still had a ball It was one thing for her husband to go missing but her big brother actually lost It was fine that her mother had died but her stepmother was still as vicious as a snake It was one thing to be a side concubine but he had been beaten down by the main concubine to such a pathetic state Although there were still a few loyal people around they didn't have anything to eat Was he going to starve to death *Jesus from Outer Space* Richard Carrier, 2020-10-20 The earliest Christians believed Jesus was an ancient celestial being who put on a bodysuit of flesh died at the hands of dark forces and then rose from the dead and ascended back into the heavens But the writing we have today from that first generation of Christians never says where they thought he landed where he lived or where he died The idea that Jesus toured Galilee and visited Jerusalem arose only a lifetime later in unsourced legends written in a foreign land and language Many sources repeat those legends but none corroborate them Why What exactly was the original belief about Jesus and how did this belief change over time In *Jesus from Outer Space* noted philosopher and historian Richard Carrier summarizes for a popular audience the scholarly research on these and related questions revealing in turn how modern attempts to conceal misrepresent or avoid the actual evidence calls into question the entire field of Jesus studies and present day beliefs about how Christianity began **On the Path to Enlightenment** Chris Hamilton, 2013-10 On the Path to Enlightenment A Hope for Humanity seeks to provide insight into the purpose of life Author Chris Hamilton explains that it is the lessons we are learning in our everyday lives that define our life's purpose These lessons give us hope to move forward into the light through love releasing fear and judgment as we find peace and listen to our inner voice We also realise that we do have help in our daily life through the guidance we are each given on a daily basis We were born to experience life in all its many facets to find love and to live that love From personal tragedy in Chris's life comes a warm story of understanding our spiritual side through this guidance and ultimately finding peace and forgiveness She has received what she believes to be divine guidance over a period of time some of which was channelled to uplift her in times of sadness doubt or frustration She feels it has been given not for her alone but for everyone As our planet moves towards a higher dimension we mankind must move forward with it if we are to remain on the earth in our physical forms On the Path to Enlightenment seeks to help us make that move Profound and uplifting this book by Chris Hamilton has grown from a long study of esoteric knowledge channelled guidance and personal tragedy Lawrence and Michael Sartorius authors of *The New Earth* **Aliens and UFO's Volume 3** Jon Peniel, 2002 **My Nest Isn't Empty, It Just Has More Closet Space** Lisa Scottoline, Francesca Serritella, 2010-10-26 The incomparable Lisa Scottoline along with daughter Francesca is back with more wild and wonderful

wit and wisdom My Nest Isn't Empty It Just Has More Closet Space Critics and readers loved Lisa Scottoline's first collection of true life stories which only encouraged her now she's back with these all new exciting adventures She's farther down the road now and the scenery has changed ex husbands Thing One and Thing Two are in her rear view mirror daughter Francesca has moved into an apartment and Lisa's finding the silver lining in her empty nest which has lots more room for her shoes And some things have stayed the same Mother Mary is still the feistiest octogenarian on the planet who won't part with her recipe for tomato sauce or her thirty year old bra In this book Lisa and Francesca spill all their family secrets which sound a lot like yours if you understand that three generations of women is the formula for spontaneous combustion Inspired by her weekly column entitled Chick Wit for The Philadelphia Inquirer this is a book you'll have to put down just to stop laughing
