Jay Siskin,2025-03-22 This book highlights the lively exchanges that shaped foreign language pedagogy and educational policy during the first fifty years of the twentieth century It is critically important to revivify our past particularly in a field where innovation is conceptualized as progress and where knowledge production is a criterion for success Modern language teaching began its ascendancy shortly before the turn of the twentieth century In the academy this impulse was marked by the founding of the Modern Language Association in 1883 Modern languages were increasingly recognized as possessing the mental and humanistic values that had formerly been the sole province of Greek and Latin The book provides an overview of the historical political and social concerns that preoccupied the nation from 1898 and provides a context for analyzing the developments in the teaching of foreign languages over the course of the following century **Resistance to the Spanish-American and Philippine Wars** Charles Quince,2017-08-07 Following the sinking of the USS Maine in Havana Harbor in 1898 pro war arguments in the American press led public opinion to favor engaging in the Spanish American War or so goes the popular version of events Yet there was a substantial anti imperialist segment of the public that tried to halt the advance towards conflict Drawing on contemporary sources the author analyzes the anti war arguments that preceded the Spanish American War and continued during the war in the Philippines News articles letters to editors opinion pieces and the yellow journalism of the day show how anti war groups ultimately failed to stop a war with Spain **The Teacher's Responsibility for Devising Learning Exercises in Arithmetic** Walter Scott Monroe,John Anthony Clark,1926
