Bloomsbury Curriculum Basics: Teaching Primary Spanish Amanda Barton,Angela McLachlan,2016-03-24 This book is closely tied to the new curriculum with extracts from the curriculum itself and lesson plans and teaching ideas for every area This book will equip non specialists to confidently deliver engaging and well informed lessons that account for the changes in the National Curriculum This is a very practical and easy to apply programme for teaching Spanish either in your own classroom or to implement across the school in the role of a co ordinato *The Routledge Handbook of Spanish as a Heritage Language* Kim Potowski,2018-05-11 The Routledge Handbook of Spanish as a Heritage Language brings together contributions from leading linguists educators and Latino Studies scholars involved in teaching and working with Spanish heritage language speakers This state of the art overview covers a range of topics within five broad areas Spanish in U S public life Spanish heritage language use and systems educational contexts Latino studies perspectives and Spanish outside the U S The Routledge Handbook of Spanish as a Heritage Language addresses for the first time the linguistic educational and social aspects of heritage Spanish speakers in one volume making it an indispensable reference for anyone working with Spanish as a heritage language *The Changing Landscape of Spanish Language Curricula* Alan V. Brown,Gregory L. Thompson (College teacher),2018 Brown and Thompson argue that Spanish language education needs to evolve to reflect changes in the U S s sociocultural socioeducational and sociopolitical landscape They provide coherent and compelling discussion of the most pressing issues facing Spanish post secondary education and strategies for turning these challenges into opportunities *Resources in Education* ,1999 *Language for Specific Purposes* Mary K. Long,2017-05-01 In the

United States today there is lively discussion both among educators and employers about the best way to prepare students with high level language and cross cultural communication proficiency that will serve them both professionally and personally in the global environment of the twenty first century At the same time courses in business language and medical language have become more popular among students Language for Specific Purposes LSP which encompasses these kinds of courses responds to this discussion and provides curricular models for language programs that build practical language skills specific to a profession or field Contributions in the book reinforce those models with national survey results demonstrating the demand for and benefits of LSP instruction With ten original research based chapters this volume will be of interest to high school and university language educators program directors linguists and anyone looking to design LSP courses or programs in any world language

Language, Migration and Multilingualism in the Age of Digital Humanities Ignacio Andrés Soria, Sandra Issel-Dombert, Laura Morgenthaler García, 2023-08-21 Located at the intersection of humanities and applied informatics the fledgling discipline of Digital Humanities is bringing new impulses to the field of Romance linguistics Those are especially productive in the context of migration and heteroglossic practices which encounter constraining language ideologies in Western societies The aim of this volume is to critically reflect on both the usefulness and limitations of digitization in different areas and superdiverse contexts of the Spanish speaking world Through 11 case studies it illuminates the digital turn from different theoretical and methodological perspectives providing a better understanding of the complex interplay between language and digitization

The Alcalde, 1963-02 As the magazine of the Texas Exes The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years The Alcalde serves as an intellectual crossroads where UT s luminaries artists engineers executives musicians attorneys journalists lawmakers and professors among them meet bimonthly to exchange ideas Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater The magazine s unique name is Spanish for mayor or chief magistrate the nickname of the governor who signed UT into existence was The Old Alcalde

The Spanish Language of New Mexico and Southern Colorado Garland D. Bills, Neddy A. Vigil, 2008-12-16 The Spanish language and Hispanic culture have left indelible impressions on the landscape of the southwestern United States The role of cultural and geographical influence has had dramatic effects on the sustainability of the Spanish language and also its development and change In a linguistic exploration that delves into a language as it is spoken by the Hispanic population of New Mexico and southern Colorado historical substantiation shows the condition of New Mexican Spanish and what the future holds for its speakers With two major dialect regions one in the north and one in the south detailed maps illustrate the geography of linguistic variation for the Spanish spoken in the region whose generations of speakers were not only influenced by other languages but also developed their own variations of words and structure out of need or innovation This diverse language has evolved since its origin in Spain with influences that include Native American languages exposure to English and Mexican immigration in the twentieth

century Snippets of New Mexican folklore and folk etymology give voice to that evolution Though this work doesn't attempt to save the New Mexican Spanish language Bills and Vigil detail the effects of inevitable encroachment that intensified during the twentieth century and seriously threaten the continued viability of this unique dialect **Air & Space Power**

Journal sum 05 , Multilingual Corpora and Multilingual Corpus Analysis Thomas Schmidt, Kai Wörner, 2012-11-15 This volume deals with different aspects of the creation and use of multilingual corpora The term multilingual corpus is understood in a comprehensive sense meaning any systematic collection of empirical language data enabling linguists to carry out analyses of multilingual individuals multilingual societies or multilingual communication The individual contributions are thus concerned with a variety of spoken and written corpora ranging from learner and attrition corpora language contact corpora and interpreting corpora to comparable and parallel corpora The overarching aim of the volume is first to take stock of the variety of existing multilingual corpora documenting possible corpus designs and uses second to discuss methodological and technological challenges in the creation and analysis of multilingual corpora and third to provide examples of linguistic analyses that were carried out on the basis of multilingual corpora Research in Education ,1972-05
