Taking Over Me:

Yellow Heart Lea Luz Soto,2009-10-19 Yellow Heart is about my journey of the trials I faced in life of love hope and joy I learned that love is a very powerful force that can be equal to the forces of hate it will structure you or you will erupt presuming how strong your mind is Hope is the power that helps us to survive our lost through death a broken relationship or a ravaged past that we tend to hold on to and not let go of For this reason some of us cannot move on and never receive what we deserve for the future Joy is our strength it helps us breathe and live life As long as you have joy you will be surrounded with peace I would recommend this book for mature readers because my poems are straight to the point and are very deep in thought I know everyone that chooses to own Yellow Heart will enjoy reading my poems **The Gone Planet** Suhani Saraswat,2016-05-02 When the world is too polluted to live in all of the humans still living on earth must move to the moon until they find a better planet to live on But Cyprus and her best friend discover that the moon isn't all that it seems and humans are not the only living creatures on the planet *A Dawn in Seville* Marie Anne Zammit,2014-03-31 Rosella is a young woman studying journalism and English language but is also interested in writing Rosella lives in Seville with her family and her father a senior doctor who is a great source for Rosella and helps her in her writing A turning event in her life is while Rosella was accompanying her father Antonio in a trip to Barcelona and Montserrat There Rosella learns that the famous poet Federico Garcia Lorca has been killed by the Falangists Following this shocking news the trip is suddenly interrupted and Rosella and her father return to Seville While in Seville at the break of the civil war Rosella by coincidence discovers that her father was secretly helping the wounded rebels and socialist supporters Later her father confides in Rosella and begs her to keep it between them which she does Following a strange dream Rosella starts writing a novel set in medieval Spain and which later would serve as the only companion in the events that followed **Grief Laceration** Samia Tasneem,2023-06-23 Life it's strange It weaves everyone and everything together in a fabric of unity and strength Beas life was going as the life of a nineteen year old should Simplified and bright But nothing goes as planned Her life seems to switch faces when she digs deep into her past and her family's One night one vision tends to change every truth she'd known Everything seems to change when she looks at her life through the mysterious door The truth lies in the past **Tanit** Freya Botthoff,2022-06-01 We don't think twice about the common narrative of history but what if we tweaked it a bit A young woman and a young man travel far back into the past all the way back to the time of the Roman Republic and Ancient Carthage They join Hannibal Barca's vast army of mercenaries as his personal councillors Will they be able to give him the foresight he needs and help him win the Second Punic War Will they change history and the world as we know it But Tanit won't be able to stop there and she won't be able to settle for the bare minimum or tolerate anything below a goddess's status *His Little Pregnant Mate: Book 4* Pakhi Das,2021-06-01 COMPLETED David Grimwald is a 21 old alpha of Blue Hounds Pack Even though he is 21 he didn't find his destined mate yet and waiting for her patiently Until one day he finds
