Talking To 5th Grade Students About Hygiene:

A Chicken's Guide to Talking Turkey with Your Kids About Sex Kevin Leman, Kathy Flores Bell, 2009-10-14 You're already establishing a track record with your kid by how you listen by what you say when you're angry and by how you treat your spouse. We like to surprise parents who ask us, "When do I start talking about sex?" The answer is, "You've already started." As difficult as talking with your child about sex, peer pressure, and self-image may seem, you can do it, and you must. Your child's future depends on it. Fortunately, you've got plenty of guidance and insight available in *A Chicken's Guide to Talking Turkey with Your Kids about Sex*. Family psychologist Dr. Kevin Leman and sexuality educator Kathy Flores Bell guide you safely along the sometimes rocky road of pubescence as your child heads toward adolescence. This practical and engaging book covers his or her development not just from the waist down but also from the neck up, where the important decisions about sex are made. Illustrated with real-life scenarios, this book is filled with practical knowledge and biblical wisdom. It is a book of firsts: first bra, first shave, first period, first nocturnal emission, first school dance, first discussion about relating to the opposite sex. *A Chicken's Guide* takes on the difficult things parents face with their kids today, such as dating relationships, sexual activity, and rite of passage attitudes. STDs, molestation, and more. Leman and Bell take you beyond sex education and frank conversations to cultivating a relationship with your child. Get ready to acquire some unanticipated life skills in the process. Moms discover how to buy that first athletic supporter for your son in Little League. Dads learn how to navigate the feminine hygiene aisle at the supermarket for your daughter. You'll do more than meet your child's physical needs. You'll create the trust, support, and security he or she needs in your relationship. And in turn, you'll gain a credible voice on such intimate topics as what sexual intercourse is and why to abstain from sex until marriage. With Bell's expert yet simple knowledge of the dynamics of human sexuality and Dr. Leman's winsome, lighthearted approach, you'll gain confidence for those difficult but essential talks. Here are the tools you need to help your kids not only understand their growing bodies but cope with the temptations and social pressures that go with them. Through thoughtful discussion and insightful suggestions, parents will discover the difference between real risk and normal social pain. The appropriate time to intervene and when to step back. Tips on how to mediate between children without appearing meddlesome. The importance of teaching and encouraging leadership. The redemptive power of friendship. *Mom, They're Teasing Me* answers key questions about the many manifestations of social cruelty, offers compelling descriptions of prime teasing scenarios, and illustrates how to counter them.
