Tall, Dark & Lonely R. L. MATHEWSON, 2024-12-19 Everything that you love about vampires and so much more From NY Times Bestselling Author R L Mathewson comes the first novel in the incredibly sexy paranormal romance series that breaks all the rules For the past two hundred years Detective Ephraim Williams has been trying to escape memories of the time he spent in a dungeon only He couldn t escape them and now he couldn t seem to escape the small woman determined to drive him out of his goddamn mind She wants answers that he refuses to give her leaving her with no choice but to watch his every move while she waited for the right moment to annoy the hell out of him She just She had no idea how close he was to losing control every time he caught her mouthwatering scent He tried to avoid her tried to warn her just how dangerous this was for her but with every glance touch and devious trick she used to make him talk Ephraim found himself desperate for the one thing that he couldn t have A taste of her blood The last thing that Madison expected was for the mother who abandoned them years ago to suddenly show up and destroy everything leaving her with no choice but to shove her dreams aside yet again Unfortunately for her nothing is going according to plan *Tall, Dark and Lonely* R. L.

Mathewson, 2010-12-01 When the mother that abandoned them years ago suddenly shows up and moves them to New Hampshire Madison has no choice but to go or lose her family Shoving her dreams aside yet again she tries to make a life for her siblings only to discover that nothing is going the way that it should It s really cold Her fifteen year old sister acts like a hooker in training Men act funny around her Her boss is a real jerk She feels like an outsider Her best friend turns out to be a mouthy sixteen year old kid and the incredibly handsome guy renting the room adjoining hers not only hogs the bathroom taking three showers a day and leaving her with cold water but he also has a secret A secret that she becomes a bit obsessed with and can t let go no matter how many times she s warned off Detective Ephraim Williams learned long ago not to show any emotion or allow himself to get attached to humans What was the point They came and went and he remained This time wouldn t be any different or so he thought When his landlady told him that her grandchildren were moving in he didn t expect much well other than to be left alone What he didn t expect was to have to fight bloodlust every time he so much as caught the scent of his delectable neighbor s blood or her bombarding him with questions every time she cornered him If that s not bad enough a Master from his past has found him once again and is demanding his blood and is willing to do anything to get it even using the beautiful irritating neighbor that makes him feel more than pain for the first time in centuries to get it

Tall, Silent and Lethal R. L. Mathewson, 2014-12-08 Never again Christofer lives by those words while Cloe would rather die by them Too many years living on the run of always being seen as nothing more than a monster and a freak has left Christofer cold and distant He hates his life his fate but he s made promises and nothing on earth will stop him from keeping them Except for the woman that invades his world takes him by surprise aggravates him gives him hope and makes him wish that things could be different but they can t Not unless he s willing to risk everything Cloe doesn t need anyone doesn t want

any complications but things quickly change when she accepts a job that destroys her world and brings her the one thing that she never thought she'd find again Peace Tall, Dark and Lonely R.L. Mathewson, 2011-03-15 Things are finally looking up for Madison After years of scraping just to get by she lands her dream job and finally has a decent down payment for a house so she can move her brother and sister into a real home It's too bad nothing ever goes the way it's supposed to When the mother that abandoned them years ago suddenly shows up and moves them to New Hampshire Madison has no choice but to go or lose the siblings who are more like children to her Shoving her dreams aside yet again Madison tries to make a life for her siblings only to find that nothing is going the way it should It's really cold her fifteen year old sister acts like a hooker in training men act funny around her her boss is a real prick she feels like an outsider her best friend turns out to be a sixteen year old smart ass and the incredibly handsome guy renting the room adjoining hers not only hogs the bathroom taking three showers a day and leaving her with cold water but he also has a secret A secret that she becomes a bit obsessed with and can't let go no matter how many times she's warned off Ephraim learned long ago not to show any emotion or allow himself to get attached to humans What was the point They came and went and he remained This time wouldn't be any different or so he thought When his land lady told him her grandchildren were moving in he didn't expect much well other than to be left the hell alone What he didn't expect was to have to fight blood lust every time he so much as caught a whiff of his delectable neighbor's scent or her bombarding him with questions every time she cornered him If that's not bad enough a Master from his past has found him once again and is demanding his blood and is willing to do anything to get it even using the beautiful pain in the ass neighbor that makes him feel more than pain for the first time in centuries *Fated* R.
