Lee Harrington, Mollena Williams, 2012-02-29 Whether you're a trembling novice or a jaded expert there's always something new to be discovered in the endlessly changing complex and titillating world of kink. While there are plenty of other books out there that explain how to give a spanking or tie a half hitch, *Playing Well With Others* is the first book that explains kink culture: the munches, parties, leather bars, conferences, workshops, fetish nights, exploratoriums, and all the other gatherings of kinksters that turn BDSM and leather from a bedroom predilection to a lifestyle and a community. You'll learn to examine your own motivations, needs, wants, and desires. Ease your way into established communities. Understand etiquette in different adventurous sex communities. Familiarize yourself with the many types of events available to you. Care for your relationships as you explore new territory. Negotiate for play and aftercare. Go back to the world at large without ruffling feathers, and of course answer the all-important question: What do you wear? The team of Harrington and Williams offers 30 plus years of experience in diverse kink communities: top/bottom and switch, gay/bi and straight, female/male and trans, white and POC. Both former titleholders and international educators, they are an unbeatable pair of sexual sherpas with an inimitable voice and a great deal of wisdom. *Playing Well With Others* is an unprecedented and essential guidebook for anyone who wants to explore or understand the community aspect of the kink lifestyle.

Superfreaks Arielle Greenberg, 2023-08-01 A deliciously subversive and endlessly informative celebration of kinky fuckery as told by a lifelong student of kink and fetishism. Neither a how-to guide to getting it on nor a collection of sensational erotica, *Superfreaks* is instead an empathetic journey into the widely misunderstood world of kink. Lifelong practitioner and student of kinky fuckery, Arielle Greenberg draws on her study and teaching of BDSM and fetishism to introduce kink's history and trailblazing kinksters like Leopold von Sacher-Masoch. Mollena Williams, Haas, and Tom of Finland explain the science behind sexual fetishes, delve into the psychology behind power exchange, parse the politics of sexual deviance. *Superfreaks* is an accessible, interactive, and raunchy experience that invites the reader to engage their kinky curiosity. Written with folks of all genders and sexual orientations in mind, the book features resources like quizzes readers can take with their partners to help assess sexual compatibility, sidebars with lists of kinky representation in literature, film, music, and more, an A to Z glossary of kinky gear from collars and floggers to zentai suits and beyond. *Superfreaks* challenges and dismantles longstanding myths about kink perpetuated by pop culture phenomena like *Fifty Shades of Grey* and *365 Days*. In doing so, Greenberg names the systemic marginalization kinky people experience and argues that we must build a society that accepts and celebrates sexual diversity of all kinds. The book also affirms the importance of consent and not yucking someone's yum, key concepts inherent to the practice of kink that are essential building blocks for safer, more inclusive sex.
