I Was Pretty Sure About It Shivani Sharma,2025-09-09 Some love stories don t begin with a kiss They begin with silence Adhira is fearless driven always chasing the next dream Aarav is calm steady the kind of love that stays hidden in the quiet From childhood secrets to college corridors their bond was unshakable yet never defined No confessions No promises Just a connection that outlasted words But time doesn t wait for unspoken feelings And when Aarav walks away without warning Adhira learns what absence truly feels like Now years later fate brings them face to face not as best friends not as lovers but as strangers bound by memory In a world where timing is everything can love still find its voice Or was it always enough even in silence

Song Lyrics and Literary History Gunilla Hermansson,2025-06-12 Paving new paths for the study of the history of literature this study explores the intricate networks of one single poem across two centuries the V rvindar friska a poem meant to be sung The Swedish song V rvindar friska Fresh Spring Breezes started its public life in 1828 between the covers of a book as a poem written to a traditional melody Since then it has been reprinted translated performed and used in the most surprising contexts in different corners of the world This particular case may be rather exceptional but Gunilla Hermansson argues that the underlying dynamics are not and yet they have been underexposed in studies of literary history This exploration of V rvindar friska reveals the rich and intricate network of one text and uncovers new facets of how

people have engaged with word art in their everyday lives in the modern era This network includes untraditional yet widespread uses of poetry and lyrics in lonely hearts columns and railway work and seemingly strange bedfellows such as a constellation of Nordic folk songs and American plantation songs The afterlives of this song evoke questions concerning class gender race citizenship technology and modernity from new angles as well as theoretical and methodological questions of circulation textual instability canonization paradigmatic turns uses and misuses Song Lyrics and Literary History demonstrates how poetry is transformed when shared across time borders media and social and ideological divides Being attentive to poetry meant to be sung Hermansson argues opens to a fuller and more representative picture of the cultural history of literature

Round the Bend Jeremy Clarkson, 2011-10-13 Jeremy Clarkson gets REALLY riled up in Round the Bend What s it like to drive a car that s actively trying to kill you This and many other burning questions trouble Jeremy Clarkson as he sets out to explore the world from the safety of four wheels Avoiding the legions of power crazed traffic wombles attempting to block highway and byway he he Shows how the world of performance cars may be likened to Battersea Dogs Home Reveals why St Moritz may be the most bonkers town in all of the world Reminds us that Switzerland is so afraid of snow that any flakes falling on the road are immediately arrested Argues that washing a car is a waste of time Funny globe trotting irreverent and sometimes downright rude Round the Bend is packed with curious and fascinating but otherwise hopelessly useless stories and facts about everything under the sun and just occasionally cars It s Jeremy Clarkson at his brilliant best Praise for Jeremy Clarkson Brilliant laugh out loud Daily Telegraph Outrageously funny will have you in stitches Time Out Very funny I cracked up laughing on the tube Evening Standard Drum , 2009-04 *Cozy Mysteries in Private Investigation* James S. Johnson, 2025-08-12 These stories are cozy mysteries By that terminology it is meant mystery stories that lack profanity blood and gore gratuitous violence and depictions of sexual activity Frequently in such stories the mystery solvers are neither police nor private detectives The sleuths generally use their knowledge of human nature and perhaps knowledge from their own fields to solve these mysteries In this collection however the sleuths all happen to be private investigators and a couple are men In the process of reading these stories you are apt to learn some things that you did not already know about private investigation and get some misconceptions cleared up Most of the stories are fully realistic however several involve supernatural elements You will notice that even if the investigator finds out what the client wants she might not wind up knowing everything You will also notice how often these investigators rely upon the ownership or location of motor vehicles By the way beware of red herrings private investigators have to About the Author James S Johnson has been a licensed Tennessee private investigator since 2002 A Phi Beta Kappa graduate of California State University he holds a master s degree in philosophy and has earned bachelor s degrees in literature mathematics liberal studies and English He has worked at a variety of jobs including college instructor mechanic deputy sheriff cab driver elementary teacher waiter health spa instructor security officer nurse s aide and construction worker His hobbies include
