Valour And The Purple Heart:

Hearts of Valor Jonathan Matsler, 2015-10 Man's Best Friends - True Stories of the World's Most Heroic Dogs John McShane, 2012-07-27 For thousands of years men and women have known who to turn to in times of trouble a dog All over the world dogs have risked and often lost their lives to look after the human beings they care for Their intelligence devotion and astonishing courage to help humans in distress on countless occasions almost defies belief Their stories range from Roselle the Labrador who led her blind owner to safety from the carnage of the World Trade Centre to the legends of Balto and Togo two of the huskies who traversed over 1 000 kilometres of snow and ice to bring life saving medicine to an isolated town and Swansea Jack the black Labrador who rescued almost 30 people from drowning and who had a statue erected in his honour Many of the dogs featured in this book have been specially trained to help humans a task they eagerly set about regardless of the physical risk they face as a result Then there are the family pets who when danger threatens react with total disregard for their own wellbeing caring only about one thing protecting the humans they love Hell to Pay D. M. Giangreco, 2017-10-15 Two years before the atomic attacks on Hiroshima and Nagasaki helped bring a quick end to hostilities in the summer of 1945 U S planners began work on Operation Downfall codename for the Allied invasions of Kyushu and Honshu in the Japanese home islands While other books have examined Operation Downfall D M Giangreco offers the most complete and exhaustively researched consideration of the plans and their implications He explores related issues of the first operational use of the atomic bomb and the Soviet Union s entry into the war including the controversy surrounding estimates of potential U S casualties Following years of intense research at numerous archives Giangreco now paints a convincing and horrific picture of the veritable hell that awaited invader and defender In the process he demolishes the myths that Japan was trying to surrender during the summer of 1945 and that U S officials later wildly exaggerated casualty figures to justify using the atomic bombs to influence the Soviet Union As Giangreco writes Both sides were rushing headlong toward a disastrous confrontation in the Home Islands in which poison gas and atomic weapons were to be employed as MacArthur s intelligence chief Charles Willoughby succinctly put it a hard and bitter struggle with no quarter asked or given Hell to Pay examines the invasion of Japan in light of the large body of Japanese and American operational and tactical planning documents the author unearthed in familiar and obscure archives It includes postwar interrogations and reports that senior Japanese commanders and their staffs were ordered to produce for General MacArthur s headquarters This groundbreaking history counters the revisionist interpretations questioning the rationale for the use of the atomic bomb and shows that President Truman s decision was based on real estimates of the enormous human cost of a conventional invasion This revised edition of Hell to Pay expands on several areas covered in the previous book and deals with three new topics U S Soviet cooperation in the war against Imperial Japan U S Soviet and Japanese plans for the invasion and defense of the northernmost Home Island of Hokkaido and Operation Blacklist the three phase insertion of American occupation forces into

Japan It also contains additional text relevant archival material supplemental photos and new maps making this the definitive edition of an important historical work Child Soldiers Dr. U C Jha,2018-01-01 As many as fifty non state armed groups NSAGs in countries such as Afghanistan Colombia the Democratic Republic of Congo India Iraq Israel Palestine Libya Mali Pakistan the Philippines Somalia South Sudan Syria Thailand and Yemen are engaged in the recruitment and use of children in armed conflict In Somalia South Sudan Syria and Yemen the situation continues to be perilous with many hundreds of children recruited used killed and maimed Children have been used by the NSAGs as executioners and suicide bombers By an estimate there are 300 000 350 000 child soldiers worldwide and the alarming trend continues to grow According to the United Nations there has been a fivefold increase in the number of children recruited in a few ongoing armed conflicts This book gives an up to date and comprehensive analysis of the recruitment and use of child soldiers worldwide and examines the in adequacy of international institutions and laws in protecting children It is an invaluable resource for anyone interested or working in the field of protecting children teachers students lawyers government officials military and police personnel researchers and human rights activists **Friends, Patriots, and Scoundrels** Elvin C. Bell,2014-12-08 Senator Robert F Bobby Kennedy had just lost the 1968 presidential primary election in Oregon to Senator Eugene McCarthy when Elvin Bell Fresno California s Mayor Pro Tem hosted him for a breakfast meeting As an exhausted Kennedy approached the podium to speak Bell watched in amazement as Kennedy transformed from a frail man into a powerful speaker Moments later as Bell rose to his feet with other audience members in a rousing standing ovation he had no idea that he would never see his friend Bobby again Bobby was shot the next day in Los Angeles and died within hours Bell a retired public official and USAF colonel shares a compelling compilation of anecdotes that highlight the iconic personalities he has known and worked with during his assignments in the White House and the Pentagon as well as during official foreign travels and various activities throughout America In addition to the everyday characters and scoundrels he has encountered in his lifetime he features nearly eighty personalities that include Gregory Peck John Wayne John Lennon Eleanor Roosevelt General Alexander Haig Frank Sinatra and Presidents John F Kennedy Lyndon B Johnson Richard Nixon and Ronald Reagan In this fascinating memoir a former political figure takes a look back at the true life characters he has encountered and how they made a difference in his life and the world The Vicious Circle Nomis,2017-12-20 David is an inmate at a federal camp in Florida Seven years ago he was arrested on his return from Switzerland faced charges of conspiracy to counterfeit The jury found him guilty and sentenced him to ten years in prison He once had the chance to be freed but a vindictive judge overturned his appeal Now David only has eighteen months to go Over the course of his incarceration David has written many books His most recent is a novel called The Diary of a Prime Minister of Israel In the story David is the prime minister He successfully wins a global war and meets the woman of his dreams Sarah His character eventually retires to spend the remainder of his life with his loving wife Of course the war and Sarah are mere figments of David s imagination until he gets hit on the head in

prison When he wakes David is no longer able to differentiate between fiction and reality He doesn't understand why he's behind bars And where is the love of his life He now lives within a vicious cycle trapped not only in jail but in his own mind as well Will David ever find a way to escape
