Creen,2018-06-01 Think about the significant lessons that have impacted your life How many of them involve images or stories If you re like me such stories and images stick with you and they often arise from what I call say what moments when an insight or truth grips you in a way you ll never forget Jesus was a master storyteller He had the amazing ability to convey deep spiritual insights using stories and images drawn from the lives of everyday people We call these stories parables and they certainly evoked many say what moments in those hearing them But for us today those parables have often dimmed

through their familiarity In this book we will recapture the original impact of those parables by revisiting the context in which those stories were told using those insights to take a fresh look at the points Jesus was making and working through a series of probing questions to apply what we ve learned to our lives today
