the Witch that start to appear in the 1960s for example in the Bewitched sitcom the Star Wars franchise Harry Potter and even the television show Scooby Doo International depictions of the Witch are discussed including Italy s Dario Argento s films Suspiria and Inferno The final section of this collection focuses on the most iconic depictions of the Witch produced during the 21st century including A Discovery of Witches Penny Dreadful Game of Thrones and the history of the Witch in films by the Walt Disney studio from its origins more than a century ago to the latest releases arguing that here if perhaps surprisingly we discover the most fair and balanced portraits of Witches in the history of film and TV **A Bouquet of**
