Bible Study Method

SEARCH

Search the Scriptures.

Start with a verse, passage, or chapter of the Bible. Read it several times. Try reading it in different translations.

OBSERVE

Observe the context.

Look closely again, noting specific words, people, and places. To whom is the author speaking? Are there any instructions or promises? What does this passage say about God? Use a study Bible to cross-reference related verses or look up words in the original Hebrew or Greek.

USE

Use what you learn.

Apply the truth revealed in God's Word to your life. What attitudes need improvement? How can you take specific action? Can you form a new habit or make a positive change?

LEAN

Lean into God's Spirit.

Ask the Holy Spirit to show you how you can meditate on these scriptures and allow them to transform your life with his guidance and power.
