Red Sauce Ian MacAllen,2022-04-04 Tells the story of Italian food arriving in the United States and how your favorite red sauce recipes evolved into American staples In Red Sauce Ian MacAllentraces the evolution of traditional Italian American cuisine often referred to as red sauce Italian from its origins in Italy to its transformation in America into a new distinct cuisine It is a fascinating social and culinary history exploring the integration of red sauce food into mainstream America alongside the blending of Italian immigrant otherness into a national American identity The story follows the small parlor restaurants immigrants launched from their homes to large popular destinations and eventually to commodified fast food and casual dining restaurants Some dishes like fettuccine Alfredo and spaghetti alla Caruso owe their success to celebrities and Italian American cuisine generally has benefited from a rich history in popular culture Drawing on inspiration from Southern Italian cuisine early Italian immigrants to America developed new recipes and modified old ones Ethnic Italians invented dishes like lobster fra Diavolo spaghetti and meatballs and veal parmigiana and popularized foods like pizza and baked lasagna that had once been seen as overly foreign Eventually the classic red checkered table cloth Italian restaurant would be replaced by a new idea of what it means for food to be Italian even as red sauce became entrenched in American culture This booklooks at how and why these foods became part of the national American diet and focuses on the stories myths and facts behind classic and some not so classic dishes within Italian American cuisine

Pasta Recipes The art of the best Italian food, with wonderful recipes ,2024-02-18 Pasta making is at its most basic an act of humility It s repetitive precise manual labor a simple gift to the gods of gluten offered up in flour

dusted basements and prep kitchens around the world It is ceremonious only in its utter lack of ceremony What has always appealed to me is how the frank marriage of two ingredients whether flour and water or flour and eggs splinters into hundreds of variations of stuffed rolled extruded dried stamped and hand cut shapes how each has its own origin story rhythmic set of motions and tools and how mastery can sometimes come down to an elusive sleight of hand the flick of a wrist the perfect twist of the index finger away from the thumb Movements learned only through practice In the two years between leaving A Voce in Manhattan and opening my first restaurant Lilia in Brooklyn I spent most of my days at home learning for the first time since I was a kid what it meant to cook not for accolades or recognition but for comfort There was no Michelin No New York Times No owners No need to prove that a Jewish kid from Connecticut with no Italian heritage had any business cooking Italian food No longer were my thoughts Is this nice enough or Is this cool enough but rather What kind of food do I want to eat or What food do I want to cook and most importantly Why I was cooking pasta that paid homage to Italy s iconic regional dishes sure but the virtue of craveability was paramount It s why my food at Lilia and my second restaurant Misi is so rooted in home cooking and it s perhaps the only way to explain how a dish as simple as rigatoni with red sauce ended up on Lilia s opening menu and then once again at Misi I wanted to serve the food that I like to eat the food I d always been cooking just stripped down to the studs and rebuilt with a simple mantra in mind quanto basta In Italian cookbooks quanto basta is typically represented as q b It translates to as much as is necessary and it appears when an ingredient is listed without an exact quantity It s essentially the Italian version of salt to taste but it has come to symbolize a shift in focus for me one that places simplicity and comfort first and always makes me ask Is this really necessary It took me decades to get here This book is meant as a ride along from red sauce to regional classics to the pastas I ve made my own At its core is a journey back to the home regions of some of my favorite pastas in an effort to understand them with new clarity to gain a deeper knowledge of not only how they are faring in a country undergoing constant culinary evolution but also of their sense of place Perhaps more than anything though this book is my love letter to pasta What has made pasta the cornerstone of Italian culinary culture for centuries an indelible part of so many Americans early food memories and a food so eminently alluring that even the gluten averse cannot resist its siren song is that it asks first and foremost something elemental of us that we enjoy it

Cooking with Nonna Rossella Rago, 2022-10-25 Get memorable quality time with your la bella famiglia as you cook your way course by course through a delicious Italian American Sunday dinner with Rossella Rago and Nonna Romana from the popular cooking show Cooking with Nonna Sunday dinner is not only a destination but the heart soul and palate of family life Sunday dinner is also the memory of times past when generations of our families gathered once a week to exchange news and stories share a traditional meal and catch up In Cooking with Nonna the care and technique handed down generation to generation is shared in loving detail so you can host memorable and delicious Sunday dinners for your family In Cooking with Nonna Sunday Dinners with La Famiglia you will find recipes for the classic dishes you loved as a
