Side Jobs Jim Butcher, 2010 Collects the shorter works featuring Chicago's own professional wizard Harry Dresden including an all new never before published novella By the #1 best selling author of *Changes* **Blood Rites** Jim Butcher, 2004-08-03 In this novel in the #1 New York Times bestselling *Dresden Files* Chicago's only professional wizard takes on a case for a vampire and becomes the prime suspect in a series of ghastly murders Harry Dresden has had worse assignments than going undercover on the set of an adult film Like fleeing a burning building full of enraged demon monkeys for instance Or going toe to toe with a walking plant monster Still there's something more troubling than usual about his newest case The film's producer believes he's the target of a sinister curse but it's the women around him who are dying in increasingly spectacular ways Harry's doubly frustrated because he only got involved with this bizarre mystery as a favor to Thomas his flirtatious self absorbed vampire acquaintance of dubious integrity Thomas has a personal stake in the case Harry can't quite figure out until his investigation leads him straight to the vampire's oversexed bite happy family Now Harry's about to discover that Thomas family tree has been hiding a shocking secret a revelation that will change Harry's life forever **Twelve Months** Jim Butcher, 2026-01-20 Harry Dresden Chicago's only professional wizard has always managed to save the day but in this powerful entry in the #1 New York Times bestselling *Dresden Files* can he save himself One year 365 days Twelve months Harry Dresden has been through a lot and so has his city After Harry and his allies narrowly managed to save Chicago from being razed to the ground everything is different and it's not just the current lack of electricity In the battle Harry lost people he cared about And that's the kind of loss that takes a toll Harry being Harry he's doing his level best to help the city and his friends recover and rebuild But it's a heavy load and he needs time But time is one thing Harry doesn't have Ghouls are prowling Chicago and taking out innocent civilians Harry's brother is dying and Harry doesn't know how to help him And last but certainly not least the Winter Queen of the Fae has allied with the White Court of vampires and Harry's been betrothed to the seductive deadly vampire Lara Raith to seal the deal It's been a tough year More than ever the city needs Harry Dresden the wizard but after loss and grief is there enough left of Harry Dresden the man to rise to the challenge *Jim Butcher's The Dresden Files: War Cry Collection* Jim Butcher, 2014-11-25 A war is raging between the vampire forces of the Red Court and the White Council a war that the wizards are losing So desperate are the Council that they've dragooned the experienced and the outcast to reinforce their thinning ranks of Wardens One of these draftees is one Harry Dresden Chicago's only wizard for hire and a guy who's long been looked upon with suspicion by the supernatural authorities Now he's one of them and his first big mission as a Warden is a doozy take a small team of

greenhorns to a frigid town in the middle of nowhere to rescue a handful of mortals who've been targeted by the Red Court. The question is why exactly are these particular mortals so crucial to the outcome of the war? The answer will come only if Harry can keep them and his team alive for one very long night. This graphic novel collects the critically acclaimed five issue series in one volume and features a bonus section with Jim Butcher's original story outline, sketchbook artwork from Carlos Gomez, cover gallery with roughs from Stjepan Sejic and more. Creator Commentary from Jim Butcher. The greatest frustration about writing the Dresden Files is all the stories I come up with that are too small or too straightforward to write into a novel. One of the great pleasures I've had as a writer is getting the opportunity to tell some of those stories in a short story format and in graphic novels like this one. War Cry is one of the stories I always wanted to tell but never got the chance to in the context of the novels and I'm extremely pleased with how well it's coming out. **Fool Moon** Jim

Butcher, 2001-01-01 One of the most enjoyable marriages of the fantasy and mystery genres on the shelves. Cinescape: the Dresden Files have become synonymous with action-packed urban fantasy and nonstop fun. Fool Moon continues the adventures of Jim Butcher's most famous and infamous reluctant hero. You'd think there'd be a little more action for the only professional wizard listed in the Chicago phone book. But lately Harry Dresden hasn't been able to dredge up any kind of work, magical, mundane or menial. Just when it looks like he can't afford his next meal, a murder comes along that requires his particular brand of supernatural expertise. There's a brutally mutilated corpse and monstrous animal markings at the scene. Not to mention that the killing took place on the night of a full moon. Harry knows exactly where this case is headed. Take three guesses and the first two don't count. Jim Butcher's The Dresden Files: Wild Card Jim Butcher, Mark

Powers, 2016-10-12 Jim Butcher's The Dresden Files saga continues in this original and in continuity graphic novel featuring a never before told story set after the bestselling novel White Night and graphic novel Down Town. A bizarre double murder draws the interest of Chicago's only wizard for hire. But as Harry Dresden begins his investigation, the clues lead to troubling conclusions about the possible perpetrator and set him on a path that will place him in the middle of a conflict between the city's three most powerful factions, a conflict that could engulf all of Chicago. **Changes** Jim Butcher, 2010-04-06 A can't miss entry in one of the best urban fantasy series currently being published. Booklist starred review. As Chicago's only professional wizard, Harry Dresden has faced demons, vampires, werewolves, dark sorcerers and hosts of horrors from beyond the mortal realm. But nothing could have prepared him for this. Long ago Susan Rodriguez was Harry's Dresden's lover until she was attacked by his enemies, leaving her caught between humanity and the relentless bloodlust of the vampiric Red Court. She disappeared to South America where she could fight both her savage gift and those who cursed her with it. Now she needs Harry's help more than ever. For the vengeful Duchess of the Red Court has discovered a secret Susan has long kept from everyone, including Harry, and she plans to use it. To prevail, Harry may have to unleash the full fury of his untapped power and he may have no choice but to embrace the darkness within himself. Because this time he's fighting to save his

child *Jim Butcher's the Dresden Files* Mark Powers,2009 *Cold Days* Jim Butcher,2012 Brought back to the mortal world as the Winter Knight to Mab Harry Dresden is at the command of the Queen of Air and Darkness and is expected to kill an immortal as he begins to realize there is a serious threat to endanger countless innocent victims unless he finds his way out of eternal subservience Jim Butcher's The Dresden Files Jim Butcher,2011 Harry Dresden s life is a mess His top client and close friend Lt Karrin Murphy no longer trusts him Chicago s underworld and the cops alike think he s mobster Johnny Marcone s supernatural enforcer And the enigmatic White Council continues to view him with suspicion If all that weren t enough a pack of werewolves have unleashed a wave of terror on the Windy City But as is always the case when it comes to the creatures of the Nevernever there s far more going on than meets the eye Before it s all over Harry will find himself caught between friends enemies and arcane forces bent on his destruction Is it any wonder he can t find a date
