gave the warrior s salute in a way that was subtly different and hailed her as the Boudica bringer of victory She didn t enjoy that but in the short span of his life Cunomar had watched his mother become more comfortable with name so that it settled on her like a worn cloak and she did not stiffen at the sound of it He had heard her use the word herself for the first time that morning as a cold dawn sharpened the air and Nemain the moon lowered into her bed in the mountains Breaca had stood on the back of her mare and addressed the massed ranks of warriors and dreamers naming them all Boudegae bringers of victory and swearing before them that she would fight for as long as it took to rid the land of the invader from Dreaming the Bull

The Elder Gods David Eddings, Leigh Eddings, 2003-10-15 Richly imaginative this fantasy will take you to the brink of the end of the world as gods fight demons and monsters for the right to rule and their lives While most continents float freely on the face of Mother Sea the Land of Dhrall survives anchored by the will of the Gods All Gods Elder and Younger share the people and the land of Dhrall equally But the one place they never enter is The Wasteland a barren and hideous wilderness ruled by the Vlagh a god like creature whose young are evil spawn Now as the Elder Gods are about to transfer their power to the Younger Gods the Vlagh plans to take advantage of their weakened state and neutralize them eventually conquering the world To do so it is breeding a terrible force borne of monsters and demons But one ray of hope shines through the darkness four children called the Dreamers They alone hold the power to change the course of history and stop the Vlagh in its quest for total world domination
