Nietzsche, 2017-05-23 In 1886 Friedrich Nietzsche self published *Beyond Good and Evil* Structured into 296 separate sections and nine parts this work deconstructs the metaphysics and dogma established by previous philosophers Nietzsche traced the roots of issues that he viewed hindered mankind in his society He spoke about what it means to be a free spirit the prejudice of philosophers and begins questioning traditional morality On the Genealogy of Morals was published a year later in 1887 Influenced by Fyodor Dostoevsky and Søren Kierkegaard the book consisted of three overlapping essays It follows the evolution of morals and the moral prejudices of Christianity and Judaism In this book Nietzsche goes into the history of values and why we've put so much emphasis these values In his treatises Nietzsche delves into the origin of good and evil guilt bad conscience resentment and how these parts of the human condition have evolved over time **The Essential**

Works of Friedrich Nietzsche Friedrich Nietzsche, 2023-11-26 In *The Essential Works of Friedrich Nietzsche* readers are introduced to a carefully curated selection of Nietzsche's most influential writings encapsulating his profound philosophical

insights and unique literary style This anthology explores themes such as morality the nature of existence and the concept of the *bermensch* all presented through Nietzsche's masterful use of aphorism and poetic language The collection places Nietzsche within the context of 19th century existentialism and critiques of traditional morality establishing him as a pioneering figure in modern philosophy and literature Friedrich Nietzsche a German philosopher cultural critic and poet faced significant challenges in his life that propelled his philosophical inquiries Struggling with health issues and a sense of alienation from contemporary society Nietzsche's worldview was shaped by his deep skepticism towards established norms and his quest for individual freedom These experiences are reflected in his writings which have inspired myriad discourses in philosophy psychology and art marking him as a pivotal thinker of his time This anthology is an indispensable resource for anyone seeking to engage with Nietzsche's radical ideas and their relevance to contemporary thought Whether you are a seasoned philosopher or new to Nietzsche's work this collection provides a comprehensive foundation for understanding one of the most provocative thinkers in Western intellectual history

The Essential Jung C. G. Jung, 2013-10-10 In this compact volume British psychiatrist and writer Anthony Storr has selected extracts from Jung's writings that pinpoint his many original contributions and relate the development of his thought to his biography Storr's explanatory notes and introduction show the progress and coherence of Jung's ideas These notes link the extracts and with Dr Storr's introduction they show the progress and coherence of Jung's ideas including such concepts as the collective unconscious the archetypes introversion and extroversion individuation and Jung's view of integration as the goal of the development of the personality Jung maintained that we are profoundly ignorant of ourselves and that our most pressing task is to deflect our gaze away from the external world and toward the study of our own nature In a world torn by conflict and threatened by annihilation his message has an urgent relevance for every thoughtful person
