Halperin (editor), 2005-05-01 *Pope Francis, Conscience of the World* John Raymaker, Gerald Grudzen, 2019-11-12 Why is it that Pope Francis is admired by so many What gives him the uncanny ability to speak with young people in language familiar to them In this book John Raymaker and Gerry Grudzen explore the life and writings of Pope Francis which have a prophetic visionary ability to speak to important issues of the day The authors evaluate how Pope Francis encounters with religious leaders of other faiths have broken new ground to help unite mankind They reach back into Christian history to explore the teachings of such Catholic mystics as Thomas Merton while also delving into the beliefs of Islamic and Buddhist mystics to demonstrate how well the pope is in touch with a spirituality that can

speak to those seeking the truth In its final chapters the book examines how the pope endorses the work of Christians who live their faith in small Christian communities and reveals how such communities can strengthen parish life in various parts of the world Like St Francis his namesake and like Teilhard de Chardin before him the pope has an appropriate vision to rebuild God s Church in a transitional age His writings have focused on caring for the earth and preaching the good news of the gospels in a way that and allows him to reach young people in need of joy as they face an uncertain future He is the Conscience of the World **Illustrated Encyclopedia of Gold and Silver Coins of the World** A.
