challenges dominant views which see nationalism as a declining social force He explains why the recent escalations of populist nationalism throughout the world do not represent a social anomaly but are in fact a historical norm By focusing on ever increasing organisational capacity greater ideological penetration and networks of micro solidarity Malevi shows how and why nationalism has become deeply grounded in the everyday life of modern human beings The author explores the social dynamics of these grounded nationalisms via an analysis of varied contexts from Ireland to the Balkans His findings show that increased ideological diffusion and the rising coercive capacities of states and other organisations have enabled nationalism to expand and establish itself as the dominant operative ideology of modernity
