Summarizing

Study the information in the chart and enter in it as you complete the sentences that follow.

Causes of The First World War				
Rise of Nationalism Ethnic groups banded together and became more nationalistic, each demanding their own independent nation.	Growth of Imperialism The race to gain overseas colonies led to heated competition and tension among European nations.	Increased Militarism The major powers of Europe had built up great armies and increased their stockpile of weapons.	Formation of Military Alliances By 1914, two major alliances had formed in Europe. They would become known as the Allies (France, Great Britain, and Russia) and the Central Powers (Germany, Austria-Hungary, and the Ottoman Empire).	Splendid Incident In June of 1914, a Serbian killed Archduke Franz Ferdinand and his wife, Austria-Hungary declared war on Serbia. Russia came to the aid of Serbia. Germany, an ally of Austria-Hungary, declared war on Russia and France. Great Britain then declared war on Germany.

New World War

Mark M. Rich, A silent war is taking place in cities all over the planet It is covered up by the media mental health system NGOs and our elected officials Now that the financial elite are finished using the US military and allied forces to conquer nations in their quest for global domination they're neutralizing individuals and groups of resisters who live among the people To do this they have recruited a major portion of the civilian population which is used as a surrogate force to persecute those who have been identified as enemies As part of the same agenda the security forces are conducting psychological operations on civilians and torturing them with directed energy weapons The entire operation is in service to some very wealthy psychopaths who rule our society as part of a global revolution intended to result in a planetary dictatorship known as the New World Order

The Robin's Cliff Mystery Series Jerome Goddard, 2006-05 Welcome to the adventures of three young cousins Joe Dennis and Susan Craig as they explore caves chase monsters expose unethical treatment of animals and visit a 150 year old antebellum home Through the three stories the reader will come to love the characters Joe for his brains Dennis for his brute strength and Susan for her no nonsense bold style The cousins originally grew up in towns close enough to spend time as children in the woods at a make believe playground called Robin s Cliff However in reality Robin s Cliff was nothing more than a huge gully carved out by erosion out in the middle of the Mississippi woods Robin s Cliff soon became a magical spot as the kids regularly met there to play and let their imaginations run wild The sleuthing skills attained at Robin s Cliff enable the youngsters to deal with several grown up challenges with great success

Modular Science for Edexcel Graham Booth, 2002

Internationalists in European History Jessica Reinisch, David Brydan, 2021-01-28 Representing a crucial intervention in the history of internationalism transnationalism and global history this edited collection examines a variety of international movements organisations and projects developed in Europe or by Europeans over the course of the 20th century Reacting against the old Eurocentricism much of the scholarship in the field has refocussed attention on other parts of the globe This volume attempts

to rethink the role played by ideas people and organisations originating or located in Europe including some of their consequential global impact The chapters cover aspects of internationalism such as the importance of language communication and infrastructures of internationalism ways of grappling with the history of internationalism as a lived experience and the roles of European actors in the formulation of different and often competing models of internationalism It demonstrates that the success and failure of international programmes were dependent on participants ability to communicate across linguistic but also political cultural and economic borders By bringing together commonly disconnected strands of European history and history from below this volume rebalances and significantly advances the field and promotes a deeper understanding of internationalism in its many historical guises The volume is conceived as a way of thinking about internationalism that is relevant not just to scholars of Europe but to international and global history more generally
