Pearson Texas World History Reading and Note Taking Study Guide Pearson Education, 2016 **Teaching and Learning History Online** Stephen K. Stein, Maureen MacLeod, 2023-04-17 Teaching and Learning History Online A Guide for College Instructors offers everything a new online history instructor needs in one package including how to structure courses integrate multimedia and manage and grade discussions as well as advice for department chairs on curriculum management student advising and more In today's technological society online courses are quickly becoming the new normal in terms of collegiate instruction providing the ideal environment to flip the classroom and encourage students to hone critical thinking skills by engaging deeply with historical sources While much of the attention in online teaching focuses on STEM business and education courses online history courses have also proven consistently popular However due to the COVID 19 pandemic new history instructors are rushed into online teaching with little or no training or experience creating a need for a guide to ease the transition from classroom to online course development and teaching A timely text this book aims to provide both new and experienced college history teachers the information they need to develop dynamic online courses World History Elisabeth Gaynor Ellis, 2007 **A Global History of Doping in Sport** John Gleaves, Thomas Hunt, 2016-03-22 From turn of the century horseracing to the monolithic anti doping attitudes now supported by sporting organizations the development of anti doping ideology has spread throughout modern sport Yet heretofore few historians have explored the many ways that international sport has responded to doping This book seeks to fill that gap by examining different aspects of sport's global efforts to respond to athletes doping By incorporating cultural political and feminist histories that examine international responses to doping this special issue aims to better articulate the narrative of doping The work starts with the first mention of doping in any sport It examines not only the first efforts to ban doping but also the athletes who sought performance enhancers Focusing on specific framing events authors in this issue examine how history of doping and how it has indelibly marked the sporting landscape The result is a work with both breadth and focus From stories of Japanese swimmers to Italian runners to American jockeys the work spans the range of doping history At the same time the authors remain focused around one single issue the history of doping in sport This book was published as a special issue of the *International Journal of the History of Sport* *Making History* Jorma Kalela, 2011-11-18 Everyone has a personal connection to the past independent of historical inquiry So what is the role of the historian Making History argues that historians have damagingly dissociated the discipline of history from the everyday nature of history defining their work only in scholarly terms Exploring the relationship between history and society Kalela makes the case for a more participatory historical research culture in which historians take account of their role in society and the ways in which history making as a basic social practice is present in their work Making History not only asks provocative questions about the role of the historian it also provides practical guidance for students and historians on planning research projects with greater public

impact This book is vital reading for all historians lay and professional and will be an essential text for undergraduate and postgraduate courses on historiography and research methods
