Special Thanks to: Doree Johnson

To Chris Metten and Bob Fisch, thank you for giving us such a rich world in which to play and for giving us the chance to bring our vision of the ERM to you and the best.

To the other members of the Board: Paul J. Davis, David D. Jones, Neal Hoffman, and Lisa Johnson.

To the fans of the first edition who over the past year and a bit posted letters and discussed the game and guided the writers and developers: in many respects, we wouldn't be here without you.

To everyone who at some point was involved with this revised edition in any capacity, I thank you sincerely for all your hard and enthusiastic work under often less-than-ideal conditions, and, most of all, for your understanding and patience while I went through many pains to put it all together. In the end, we've made a great game, right down to every last single word of it. My appreciation for you all is unending.

Special Thanks — Lottie Johnson
