WORLD WAR I

Escape from Germany: The Greatest POW Break-Out of the First World War

It's July, 1918. The most heavily guarded POW camp in the world. Surrounded by steel palisades and barbed-wire fences, patrolled by ferocious dogs and armed guards with orders to shoot to kill, Holzminden was a brutal punishment camp. To escape would take boundless ingenuity and nerves of steel. Many tried. Prisoners used sardine-tin openers to pick locks, forged documents, sent messages using milk as an invisible ink, and created fake uniforms and elaborate disguises. Every attempt failed, leading only to ever-tighter defenses. But on the night of 23 July 1918, twenty-nine undaunted Allied prisoners achieved the impossible. They had spent nine months using cutlery to move tons of earth, clay and stone, digging a tunnel over 150 feet long under the walls and barbed-wire fences, to the farmland beyond. This is the fascinating story of how they did it - and of the many who had failed before them.

Women Heroes of World War I by Kathryn J. Atwood

Women Heroes of World War I brings to life the brave exploits of 16 women from around the world who served their countries at a time when most women didn't even have the right to vote. Seventeen-year-old Frenchwoman Emilienne Moreau assisted the Allies as a guide and set up a first-aid post in her home. Russian peasant Maria Bochkareva joined the Imperial Russian Army, was twice wounded in battle and decorated for bravery, and created and led the all-women combat unit the Women's Battalion of Death. American journalist Madeleine Zabriskie Doty risked her life to travel twice to Germany during the war. Resented, watched, and pursued by spies, she was determined to report back the truth. These and other suspense-filled stories of daring girls and women from around the world are told through fast-paced narrative, dialogue, direct quotes, and document and diary excerpts. Historical background information opens each section, and each profile includes informative sidebars and "Learn More" lists of books and websites for further study, making this a fabulous resource for young history buffs or anyone who likes tales of bravery and courage.

Best Little Stories from World War I by C. Brian Kelly

Behind the tangled alliances, feuding royals, and deadly battles are the nearly 100 riveting true stories of the men and women who lived, fought, and survived the first Great War. Based on the writings of soldiers, politicians, kings, nurses, and military leaders, *Best Little Stories from World War I* humanizes their foibles, triumphs, and tragedies—and chronicles how the emergence of fervent national pride led not only to ruthless combat, but a critical turning point in the twentieth century.

Hitler's First War by Thomas Weber

Drawing on deep and imaginative research, Weber refutes the story crafted by Hitler himself, and so challenges the historical argument that the war led naturally to Nazism. Contrary to myth, the regiment
