The Drunken Cookbook:

The Drunken Cookbook Milton Crawford, 2014-09-09 Whether it's a quiet glass of Chardonnay in a well-heeled wine bar or tequila shots at 2 a.m. drinking has a way of leading to hunger. All too often we cave in to the booze munchies and settle for 7-Eleven fare or a dreadful diner. But there is another way. A better way. Authentic Smoky Chicken Burritos and even Spicy Thai style Pork Burgers can be delectable and more importantly achievable with *The Drunken Cookbook*. Replete with satirical commentary on the vicissitudes of inebriation, *The Drunken Cookbook* also includes a series of tests to help the reader determine how drunk he or she is. Blessedly, *The Drunken Cookbook* takes into account the reader's intoxicated state and limited capacity to understand directions; safety warnings are a feature of each recipe, and risky techniques like deep fat frying are excluded from the text.

The Hungover Cookbook Milton Crawford, 2011-05-31 Everything you need to know to assess, understand, and improve a hangover is here: dozens of comforting recipes, very clever graphic tests for analyzing your state of mind, and quizzes for tracking your progress. A good hangover brings its victim to a new state of mind, and one that when looked at objectively can be quite fascinating to its host. It can create an increased awareness of the body, a willingness to eat something usually off limits, and a fascination with the mind's strange acrobatics. With P.G. Wodehouse's six hangovers, *The Broken Compass*, *The Sewing Machine*, *The Comet*, *The Atomic*, *The Cement Mixer*, and *The Gremlin Boogie* as a starting point, recipes are tailored to each specific malady, allowing the reader to find a recipe or just a menu item that precisely suits his state of mind and body. Interspersed with the recipes are mind games, witticisms, and graphic jokes; insights into hangover science; quizzes to see if you are still drunk or now just merely hungover; and more.

The Little Drunk Cookbook David Hips Buysmuth, David Bismuth, 2023-12-21 Every man and every woman on this planet has already been in the totally drunk but hungry situation. You come back from a nice party and you are really hungry. You head toward the kitchen and prepare what I call *The drunk cooking*. It is not healthy, it is not safe, but like a miracle, it happens, and you don't know how. It is only in the morning after that you discover what your drunk you has done, and then you remembered the amazing meal you prepared yourself. This book is made to help everyone to prepare the best meal ever while totally wasted. It's fun, it has real recipes, plus many tips on how to fight against hangover or how to cook without making any noise.

The Lover's Cookbook Milton Crawford, 2016-01-07 Discover the perfect cookbook for impressing that special someone. This book offers a unique culinary slant on dinner: *deux* with fun and adventurous recipes that will help love to blossom, tease palates, and arouse the senses and make all the difference between a firecracker of an evening and a damp squib. Something to Slurp on: get the juices flowing with a Basil Martini or a Bloody Mary with Clam Juice Nibbles. And Tit bits: get down to some fun foreplay with Spiced Honey Almonds or Caviar Blini. Shapely Veg: get forking Asparagus with White Crab Meat or Pommes Sarladaises with Truffles. one of my fondest memories of my college days We use to go to so many different places just to try out new dishes and drinks and pick our favorite pairing Believe me when I say this I have had some deadliest combinations of alcohol and food and the result was not as pretty But you know in the end it didn't matter because the idea was to have fun and I did enjoy trying out new things Alcoholic drinks are something I love to have when I am out with my friends partying or chilling I am sure you love it too And if I get a good food option that goes perfectly with the drink I am having I am never leaving that table again But it is really very difficult to find food options that go with the alcohol you are having Pairing up different flavor combinations is an art and not everyone is good at it So if you can just pick out the right pair of food with the alcoholic drink and serve it to your guest trust me your guest will go head over heels with it So here is a cookbook that provides you with the recipes of the dishes that will go perfectly with any alcoholic drinks you like Why go out when you can make these delicious recipes at home
