Hearthstories Joanna Devrais,2009-09-24 Lessons of Personal Pilgrimage and Change How can we better take in each moment of our lives How can we be more responsive and open to the here and now These questions are at the heart of our spiritual quests and personal pilgrimages In this book the author shares inner and outer discoveries that brought her closer to herself and to the simplicity subtlety and everydayness of her life Her stories as far ranging as enjoying tea with a friend to visiting mysterious Black Madonna icons in Europe remind us to pay attention not only to the more dramatic or sensational events of our lives but to those simpler moments of connectedness and responsiveness that bring us into our true self This memoir is filled with stories that are inner markers for personal evolution and change particularly in the quest for the powers of the feminine The authors anecdotes touch us all reminding us that without our stories we might each miss the purpose and meaning of our lives There are insights in these pages for every reader lessons for finding the voice of our own quiet wisdom From the Foreword by Hal Zina Bennett **Popular Educator** ,1925 **Scribner's Magazine ...** ,1909 **Explorer's**

Adams,2022-01-18 Born in Iowa Harry Lloyd Hopkins 1890 1946 graduated from Grinnell College and took a job at Christadora House a social settlement house in New York City where he later worked in the Bureau of Child Welfare and the New York Temporary Emergency Relief Administration TERA before President Roosevelt asked him to run the Federal Emergency Relief Administration FERA the Civil Works Administration and the Works Progress Administration WPA which he built into the largest employer in the US Hopkins was Secretary of Commerce from 1938 until 1940 From 1940 until 1943 he

lived and worked in the White House He enjoyed close relationships with FDR and with Eleanor Roosevelt During World War II he oversaw the 50 billion Lend Lease program of military aid to the Allies and as FDR's personal envoy to Churchill and Stalin had a key role in shaping Allied military strategy Hopkins was considered a potential successor to FDR as President until the late 1930s when his health began to decline due to a long running battle with stomach cancer He died at the age of 55 The author is the first since Robert Sherwood to complete a full biography of Harry Hopkins He has added significant detail based on new sources while confirming Sherwood's portrait of a brave and loyal aide who ranked with George Marshall in his contribution to victory in World War II The three most influential foreign policy advisers to Presidents in this century were Colonel House for Wilson Hopkins and Henry A Kissinger Hopkins was more loyal than House less innovative than Kissinger but equal to both in his ability to get things done He died in 1946 exhausted and in debt Gaddis Smith Foreign Affairs A fascinating well written book Hopkins's influence on national social welfare policy developments lasted only a relatively short time from 1932 to 1938 when he was appointed Secretary of Commerce Then the events that were to lead to World War II were shaping up and Roosevelt chose Hopkins to serve as his personal ambassador That part of the story is completely absorbing and the reader will find it well worth his time as general history and intimate biography F R B Social Service Review This first detailed biography of Harry Hopkins is essential reading to one interested in the domestic and foreign policies of Franklin Roosevelt Hopkins was closer and had a greater impact on Roosevelt during his presidency than any other single individual The book is well written interesting and thoroughly documented Hopkins role as head of the Works Progress Administration is skillfully outlined The importance of his work during World War II in acting as Roosevelt's liaison with both Churchill and Stalin cannot be underestimated Despite the obviously important matters of substance in which Hopkins was involved the book does not neglect his personal life domestic problems and poor health He comes through it all as a very interesting individual with whom one would have enjoyed working Victor B Levit American Bar Association Journal

Long Island Railroad Information Bulletin, 1928 **The Heart of Love** Ted Rivera, 2013-12-03

A marvel of succinctness this presentation is one of the best I have seen for initial direction in the faith once delivered to the Fathers Dr Paige Patterson Ted Rivera unpacks the mystery of God's will with a simple yet profound look at what Jesus called the two greatest commandments loving God and loving others Filled with examples drawn from everyday life Rivera's book is practical and wise a welcome primer for any student of the Bible wanting to deepen their understanding of how to follow Jesus rightly In the end Rivera concludes Jesus isn't looking merely for consistency in obedience but for obedience in love Indeed all our good deeds are utterly worthless if they are disconnected from a heart that beats not only with love for our

God but also with love for our fellow human beings The Heart of Love urges readers toward a deepened faith and a greater imitation of the God who is love **The Regional Travel Guide for North Jeolla (South Korea)** , *Fourth Estate* ,1924
