The Flockless Shepherd

William Edward Heygate

The Flockless Shepherd:

The Flockless Shepherd, 2014-11-01 The Flockless Shepherd tells the story of David who quietly returns to his hometown after failing to establish a music career in Nashville He avoids all contacts from his past except for his mentor Jacob who helps David rise to the top of Buffalo s nightclub scene With new success and reconciliation with his family on the horizon tragedy suddenly strikes and David finds himself lying in a hospital room nearing death He makes a promise to God that if He saves his life David will spend the rest of it serving Him After a miraculous recovery he is visited by a messenger who tells David that he is being held to his promise Thus begins a journey that will take David from New York to Georgia and back again touching the lives of everyone he meets along the way

The Perfect Genre. Drama and Painting in Renaissance Italy Kristin Phillips-Court, 2016-12-05 Proposing an original and important re conceptualization of Italian Renaissance drama Kristin Phillips Court here explores how the intertextuality of major works of Italian dramatic literature is not only poetic but also figurative She argues that not only did the painterly gaze so prevalent in fifteenth and sixteenth century devotional art portraiture and visual allegory inform humanistic theories practices and themes it also led prominent Italian intellectuals to write visually evocative works of dramatic literature whose topical plots and structures provide only a fraction of their cultural significance Through a combination of interpretive literary criticism art historical analysis and cultural and intellectual historiography Phillips Court offers detailed readings of individual plays juxtaposed with specific developments and achievements in the realm of painting Revealing more than historical connections between artists and poets such as Tasso and Giorgione Mantegna and Trissino Michelangelo and Caro or Bruno and Caravaggio the author locates the history of Renaissance art and drama securely within the history of ideas She provides us with a story about the emergence and eventual disintegration of Italian Renaissance drama as a rigorously philosophical and empirical form Considering rhetorical philosophical ethical religious political ideological and aesthetic dimensions of each of the plays she treats Kristin Phillips Court draws our attention to the intermedial conversation between the theater and painting in a culture famously dominated by art Her integrated analysis of visual and dramatic works brings to light how the lines and verses of the text reveal an ongoing dialogue with visual art that was far richer and more intellectually engaged than we might reconstruct from stage diagrams and painted backdrops

The Matricide's Daughter Newton Mallory Curtis, 1850 *The Classical Pastoral in the Visual Arts* Luba Freedman, 1989 This fascinating study treats the pastoral theme in visual arts as a subject of distinct character epitomized in the poetic shepherd living in intimate contact with ideal nature Following the Vergilian tradition of the pastoral

the author guides the reader through complex imagery The discussion includes Arcadia both as a region and as an idea Pan as pastoral deity and the image of the pastoral shepherd from Antiquity through the Age of Rococo Masterpieces of classical art and European painting are considered and interpreted anew A Sorcerer and a Gentleman Elizabeth Willey,2018-12-18 Once there was only the land of Phesaotois with a cold and baleful Stone at its magical heart Much later came the land of Pheycet younger and hotter with its Well of Fire inextricably bound up with its ruler the great Panurgus Then Panurgus died touching off a bitter struggle between his sons that ended with Avril on the throne and Prospero mightiest of the sorcerers in permanent exile All that was an age ago Now Prospero grown ancient and subtle has found a new third land bright Argyle with its primal Spring of clear water Argyle is a fair realm in its own right but the children of Panurgus never forgive and never forget And so Prospero decides it is an auspicious time to seize the throne of Phesaotois from Avril thereby setting in motion a vast tale of romance and espionage of talking animals and mythic beasts of metaphysics and primal creation of mannerly drama and gritty military detail an epic that can only end in a conflagration of blood and honor *The Good Shepherd, Or Meditations for the Clergy, Upon the Example and Teaching of Christ* William Edward Heygate,1876

THE FOUNTAIN OF ARETHUSA MAURICE ZERMATTEN,1960 **Empty Wigs** Jonathan Meades,2025-02-13 Go to Empty Wigs for prose that never ceases to dazzle for an extended holiday from contemporary pieties and to disgrace yourself with laughter Paul Genders Literary Review Empty Wigs is a hallucinatory ride through the twentieth century that will

cement Jonathan Meades as one of the great imaginative writers of our age It moves from bloody Algiers in 1962 to the Welsh Marches in the late nineteenth century from Leburg Heath to suburban southern England Its characters are damned and doomed They exert free will so make terrible choices Their appetites are base Their lives are without end They lurch to extremes From euthanasia to terrorism and political assassination with secrets and betrayals great gothic houses and pseudo scientific experiments Empty Wigs is a vast compendium of tales from the jungle of existence which show humankind at its most abject Many of its stories are bleak perverse harrowing Many are tragically farcical But the writing is neon rich gorgeous and baroque funny and joyfully offensive Told through frames within frames mazes within mazes colliding narratives and quick changing moods Empty Wigs is a late modern masterpiece and a return to the novel's origins Meades finds the mot juste the striking reference to complete every brilliant line Is it all a bit too much Reader it is Stephen Smith Observer A head spinning turn that can quicken from high farce into deep seriousness vaulting across time and space Chris Harvey Daily Telegraph
