The demand for oil and natural gas is never ending and the South China Sea possesses the largest underwater stockpile in Southeast Asia. Nearly every country in the ASEAN organization Association of Southeast Asian Nations cross claims portions of the islands and reefs dotted throughout the sea. However all must beware of their largest neighbor China who also claims nearly all of the same body of water for its own use. When war breaks out between China and Vietnam the United States and India prepare to honor their mutual defense treaties with Vietnam and to keep the shipping lanes open to their merchant fleets. United States Senator Randy Fisher is in Southeast Asia to attend the ASEAN annual conference and is the only American in the theater who can prevent a full scale war. His strained relationship with the current American president is nearing its own breaking point over their domestic policy differences. With little support from the White House he risks his career and perhaps his life to prevent naval forces with nuclear weapons from confronting each other in one of the busiest bodies of water across the globe. From the Philippines to Brunei Vietnam and into the heart of the Chinese Communist government the American senator will travel to unravel the well made plans of the architects for China's military expansion into the South China Sea.

About to exchange vows with her fiancé Rebecca North is stunned when a towering raven haired stranger interrupts the ceremony. Five years earlier at the height of the American Revolution fourteen year old Rebecca rushed to the aid of a wounded English soldier she discovered hiding out in her barn. Although he was an enemy of the Patriots she saved his life. When he begged her to fulfill his final wish before he rode off to battle she made a secret vow. Now he has returned to claim his bride. After swearing never to give her heart to Nicholas Wythe Rebecca reluctantly leaves Connecticut for England. But at legendary Foxbridge Cloister his sprawling estate on the wild north coast the new Lady Foxbridge realizes there are those who resent the Yankee in their midst. While a vengeful enemy plots to destroy her Rebecca makes startling discoveries about her husband. As a relationship forged in the fires of war flames into something deeper she will risk everything even her life for what she never expected to find with Nicholas a passionate lasting love. Rebecca is the 2nd book in the Foxbridge Legacy but you may enjoy reading the series in any order.
