The Faslane Volume One:

The Faslane Files Harry Dayle,2014-12-18 Six weeks after the world ended the survivors aboard cruise ship Spirit of Arcadia have installed a small contingent of skilled individuals and families in a Royal Navy bunker More than just a backup plan for the human race these volunteers must realise an essential goal They are to find a way to provide food and fuel for themselves and for the three thousand other survivors who will one day return in the ship Brimming with hope and enthusiasm the new community is raring to make a start But their new home is not all it seems and beneath them a terrible danger is awakening

The Devil's Breath Harry Dayle,2018-11-13 Metropolitan Police Sergeant Xavier Baxter s life has just ended and has just begun Presumed dead by everyone who knows him he s been involuntarily recruited into a secret government organisation calling itself The Attic Now Xavier is part of a ground breaking experiment into augmented intelligence A crack team of geniuses have given him incredible mind expanding abilities But is he in control of his own head anymore Before he has a chance to find out The Attic throws him into an investigation the likes of which he has never known Someone inside MI6 is turning British agents over to the Russians and Xavier must discover who Time and a hidden enemy are against him as he races to prove his worth before The Attic ends its experiment and Xavier s life

House of Commons - Defence Committee: The Defence Implications of Possible Independence - Volume I: HC 198 Great Britain: Parliament: House of Commons: Defence Committee,2013-09-27 In this report the Defence Committee says the information published so far by the Scottish Government on the defence and security implications of Scottish independence falls far short of requirements The Committee also cannot currently judge the likely running costs of the proposed Scottish defence force given the limited information it has so far received The Committee is however unconvinced that the proposed budget of 2.5bn can support both the proposed Scottish defence force and the purchase of new equipment including fast jets and submarines The report seeks answers to the following questions how would a sovereign Scottish Government ensure the defence and security of an independent Scotland For what purposes would Scottish armed forces be used How would Scottish armed forces be structured and trained and where would they be based How much would it cost to equip support and train an independent Scotland s armed forces and how much of this could be procured and delivered domestically And how many jobs in the defence sector would be placed at risk The Committee also raises detailed questions about the proposed Scottish defence force the numbers and types of aircraft and naval vessels which would be needed and how they would be procured and maintained the numbers of combat troops the Scottish Government envisages including its plan to re instate historic Scottish regiments and the availability of training facilities to maintain the appropriate professional standards In the event of independence the defence industry in Scotland would face a difficult future
