Transforming Inner Mongolia Yi Wang,2021-09-21 This groundbreaking book analyzes the dramatic impact of Han Chinese migration into Inner Mongolia during the Qing era In the first detailed history in English Yi Wang explores how

processes of commercial expansion land reclamation and Catholic proselytism transformed the Mongol frontier long before it was officially colonized and incorporated into the Chinese state Wang reconstructs the socioeconomic cultural and administrative history of Inner Mongolia at a time of unprecedented Chinese expansion into its peripheries and China's integration into the global frameworks of capitalism and the nation state Introducing a peripheral and transregional dimension that links the local and regional processes to global ones Wang places equal emphasis on broad macro historical analysis and fine grained micro studies of particular regions and agents She argues that border regions such as Inner Mongolia played a central role in China's transformation from a multiethnic empire to a modern nation state serving as fertile ground for economic and administrative experimentation Drawing on a wide range of Chinese Japanese Mongolian and European sources Wang integrates the two major trends in current Chinese historiography new Qing frontier history and migration history in an important contribution to the history of Inner Asia border studies and migrations

Dwelling in Fiction Ashley R. Brock, 2023-12-15 Explores the affective ethical and political demands that difficult reading places on readers of midcentury Latin American literature The radical formal experiments undertaken by writers across Latin America in the mid twentieth century introduced friction opacity and self reflexivity to the very act of reading *Dwelling in Fiction Poetics of Place and the Experimental Novel in Latin America* explores the limitations and the possibilities of literature for conveying place specific forms of life Focusing on authors such as Jos Mar a Arguedas Jo o Guimar es Rosa and Juan Jos Saer who are often celebrated for universalizing regional themes Ashley R Brock brings a new critical lens to Latin American writers who were ambivalent toward their era's boom Beyond mere resistance to or critique of the commodification and political instrumentalization of rural topics and types this countertrend of critical regionalism positions readers themselves as outsiders pushing them to engage their senses to train their attention and to learn to dwell in unknown textual landscapes *Dwelling in Fiction* draws on a transnational community of thinkers and writers to show how their midcentury aesthetic practices of sensorial pedagogy anticipate contemporary turns toward affect embodiment decoloniality and ecological thought
