

- Lexington:**
- Town in Middlesex County, Massachusetts.
 - Site of the first battle between the British and Americans.
 - In the Battle of Lexington, the Americans were forced to retreat under heavy British fire; 8 of their number were killed in the brief encounter on the village green.
- Concord:**
- Second site of Battles of Lexington and Concord.
 - British entered Concord (April 18, 1775), where they destroyed some military supplies.
 - On the return march to Boston, the British were attacked by hundreds of militiamen firing at them from behind stoned walls....the British suffered 250 casualties---and also great humiliation at being so badly mauled by "amateur" fighters.
- Battle of Bunker Hill:**
- Occurred 2 months after the Battles of Lexington and Concord..... June 17, 1775.
 - A colonial militia of Massachusetts farmers fortified Breed's Hill (which was next to Bunker Hill, for which the battle was wrongly named).
 - The British attacked the colonists' position and managed to take the hill, suffering over a thousand casualties.
 - Americans claimed a big victory.... They succeeded in inflicting heavy losses on the attacking British army.
- Second Continental Congress (1775):**
- Met in Philadelphia in May 1775, soon after the fighting broke out in Massachusetts.
 - Consisted of delegates who thought the colonies should declare their independence (these delegates were mainly from New England) and delegates who hoped the conflict would be resolved by negotiating a new relationship with Great Britain (these delegates were mainly from the middle colonies).
 - Congress took military actions, as well as making efforts for peace.
- Declaration of the Causes and Necessities for Taking Up Arms:**
- Adopted by the Continental Congress.... Called on the colonies to provide troops.
 - George Washington was appointed the commander-in-chief of a new colonial army and sent to Boston to lead the Massachusetts militia and volunteer units from other colonies.
- Olive Branch Petition:**
- Sent to King George III by colonial delegates.
 - Delegates pledged their loyalty and asked the king to intercede with Parliament to secure peace and the protection of colonial rights.
 - Sent because many in the colonies did not want independence, for they valued their heritage and Britain's protection, but they did want a change in their relationship with Britain.
- Prohibitory Act (1775):**
- Declared the colonies in rebellion.
 - Issued by Parliament, King George ignored the congress' plea and agreed to the act.
 - A few months later, Parliament forbade all trade and shipping between England and the colonies.
- Thomas Paine; *Common Sense* (1776):**
- Pamphlet written by Thomas Paine, a recent immigrant to the colonies.
 - Paine's essay argued in clear and forceful language for the colonies becoming independent states and breaking all political ties with the British monarchy.
 - Paine argued that it was contrary to common sense for a large continent to be ruled by a small and distant island and for people to pledge allegiance to a king whose government was corrupt and whose laws were unreasonable.
- Declaration of Independence:**
- Written by Thomas Jefferson; adopted by Congress on July 4th, 1776.
 - The declaration listed specific grievances against George III's government and also expressed the basic principles that justified revolution.... asked for American independence.
 - Said that "all men are created equal", and that they are given "certain unalienable rights" including "life, liberty, and the pursuit of happiness."
- Thomas Jefferson:**
- The author of the Declaration of Independence (1776)
 - The third President of the United States (1801-1809)
 - One of the most influential Founding Fathers for his promotion of the ideals of Republicanism in the United States.
- Patriots:**
- Those who supported American independence.
 - An estimated 40% of the colonial population joined the Patriot side (about 2.6 million lived in the 13 colonies or states during the war).
- Loyalists (Tories):**
- Those who remained loyal to Britain and did not want American independence.
 - Also called Tories (after the majority party in Parliament).
 - An estimated 20-30% of the colonial population joined the Loyalist side (about 520,000-780,000 people).
 - Almost 60,000 American Tories fought and died next to British soldiers, supplied them with arms and food, and joined in raiding parties that pillaged Patriot homes and farms.

World History Ch 2guided Answer Key
