Biblical Interpretation Beyond Historicity Ingrid Hjelm, Thomas Thompson, 2016-01-29 Biblical Interpretation beyond Historicity evaluates the new perspectives that have emerged since the crisis over historicity in the 1970s and 80s in the field of biblical scholarship Several new studies in the field as well as the deconstructive side of literary criticism that emerged from writers such as Derrida and Wittgenstein among others lead biblical scholars today to view the texts of the Bible more as literary narratives than as sources for a history of Israel Increased interest in archaeological and anthropological studies in writing the history of Palestine and the ancient Near East leads to the need for an evidence based history of Palestine This volume analyses the consequences of the question If the Bible is not history what is it then The editors Hjelm and Thompson are members of the Copenhagen School which was formed in the light of this question and the commitment to a new approach to both the history of Palestine and the Bible's place in ancient history This volume features essays from a range of highly regarded scholars and is divided into three sections Beyond Historicity which explores alternative historical roles for the Bible Greek Connections which discusses the Bible's context in the Hellenistic world and Reception which explores extra biblical functions of biblical studies Offering a unique gathering of scholars and challenging new theories Biblical Interpretation beyond Historicity is invaluable to students in the field of Biblical and East Mediterranean Studies and is a crucial resource for anyone working on both the archaeology and history of Palestine and the ancient Near East and the religious development of Europe and the Near East Nature Sir Norman Lockyer, 1905 *School and Home Education*, 1919

Translation and Creativity Kirsten Malmkjær, 2019-07-23 Kirsten Malmkjær argues that translating can and should be considered a valuable art form Examining notions of creativity and their relationship with translation and focusing on how the originality of translation is manifest in texts the author explores a range of texts and their translations in order to illustrate original as opposed to derivative translation With reference to thirty translators discourses on their source texts and the author's own experience of

translating a short text Malmkj r explores the theory of creativity philosophical aesthetics the philosophy of language experimental and theoretical translation studies and translators discourses on their work Showing the relevance of these varied topics to the study of translating and translations underlines their complexity and the immensity of understanding that is regularly invested in translations This work proposes a complete rethinking of the concepts of creativity and originality as applied to translation and is vital reading for advanced students and researchers in translation studies and comparative literature
