World War 1 Henry Freeman,2016-09-13 World War One was one of the bloodiest wars in modern history. At its end, it had claimed over seventeen million lives. It led to the collapse of nations, the abdication of monarchies, and ended empires. Entire divisions of men perished in the pursuit of mere miles of uninhabitable wasteland; towns were pulverized, and millions displaced. It became a horrendous war of attrition, each side competing to kill as many of their foe as possible. Inside, you will read about 1914: Blood Is Spilled; 1915: The Dawn Of The Industrialized War; 1916: Unrelenting Bloodshed; 1917: Revolution, Revelation, and Catastrophe; 1918: The Great War At An End. It became the first industrialized war in history and introduced revolutionary technology into the fray: The Airplane, the Tank, and the Machine Gun first saw action collectively during the conflict. It was also the first war in which poison gas was used to choke young men out of their trenches. This book is a timeline account of the important events that shaped the First World War. It details the events and causes that led the world to war. This book covers the milestone moments, important battles, and how the outcome changed the world forever.
