War beyond Words Jay Winter, 2017-07-06 This book presents a panoramic history of transformations in our global imaginings of war from 1914 to the present It charts a century s meditations on war from painting and sculpture to photography film and poetry and ultimately to silence as a language of memory in its own right

Women's Labour Activism in Eastern Europe and Beyond Selin Çağatay, Mátyás Erdélyi, Alexandra Ghiț, Olga Gnydiuk, Veronika Helfert, Ivelina Masheva, Zhanna Popova, Jelena Tešija, Eszter Varsa, Susan Zimmermann, 2025-08-26 This collaborative monograph presents a deeply researched inclusive history of women s labour activism in Eastern Europe Austria Turkey and transnationally It explores women s activism and organizing to improve the working conditions and living circumstances of lower income and working class women and their communities in the region and internationally Moving beyond the celebratory or partisan perspectives of many classical and some feminist labour histories Women s Labour Activism in Eastern Europe and Beyond provides a careful historicization of women s actions in a multiscale perspective The authors follow women aligned with a wide range of political persuasions highlighting unexpected elements and continuities of women s labour activism Women s activities are seen in the workplace

in the everyday within and across social movements and organizations and inside the state They are presented through a framing that spotlights long term developments and bridges the divide between the literatures on gendered labour politics and activism in state socialist and capitalist societies The authors examine activism unfolding in the region and the role of activists from the region within international women s labour and inter state organizations Moving women s labour activism from the margins of labour gender and European history to the centre of historical study the volume makes an innovative contribution to the new global histories of labour and gender *United States Code* , **United States Code** United States,1953 **Constitutionalism beyond Liberalism** Michael W. Dowdle,Michael A. Wilkinson,2017-01-26 Explores the possibilities of constitutionalism from diverse theoretical and comparative perspectives particularly those from outside liberal and Anglo European paradigms Beyond Human Error Brendan Wallace,Alastair Ross,2016-04-19 A ground breaking new book Beyond Human Error Taxonomies and Safety Science deconstructs the conventional concept of human error and provides a whole new way of looking at accidents and how they might be prevented Based on research carried out in the rail nuclear and defense industries the authors show how by concentrating solely on Beyond the Bonus March and GI Bill Stephen R. Ortiz,2012-04 The period between World Wars I and II was a time of turbulent political change with suffragists labor radicals demagogues and other voices clamoring to be heard One group of activists that has yet to be closely examined by historians is World War I veterans Mining the papers of the Veterans of Foreign Wars VFW and the American Legion AL Stephen R Ortiz reveals that veterans actively organized in the years following the war to claim state benefits such as pensions and bonuses and strove to articulate a role for themselves as a distinct political bloc during the New Deal era Beyond the Bonus March and GI Bill is unique in its treatment of World War I veterans as significant political actors during the interwar period Ortiz s study reinterprets the political origins of the Second New Deal and Roosevelt s electoral triumph of 1936 adding depth not only to our understanding of these events and the political climate surrounding them but to common perceptions of veterans and their organizations In describing veteran politics and the competitive dynamics between the AL and the VFW Ortiz details the rise of organized veterans as a powerful interest group in modern American politics

Beyond Pius V Andrea Grillo,2013-12-03 The reform of the liturgy is at risk says Andrea Grillo Recent developments have sown doubts and confusion within the church While many authorities pay lip service to the importance of the liturgical reform that followed Vatican II and cite all the right documents what they offer is out of tune with the fundamental reasons for the reform Grillo argues that the church today must refresh its collective memory of the essential meaning of the liturgical reform For Grillo this means understanding the meaning and significance of Vatican II in the history of the church in the twentieth century the key concept of active participation the core ideas of the original liturgical movement and the role they played during and after the reform of the liturgy what the reform has accomplished and what remains to be done Beyond Pius V is not simply a set of pastoral observations It is a strongly argued theological essay on the true meaning and

purpose of liturgy and liturgical reform That reform Grillo says must continue to challenge and provoke us never to be reduced to the precious past of our ancestors rather like children who honor the legacy of their parents we are called to carry on and nurture the life of the reform
