Sovereign Scriptural Segues J. George Lawrence, 2013-12-24 Many of Christ s disciples abandoned Him because they could not accept His hard teaching noted in the book of John chapter 6 This hard hitting book mirrors the words of eternal life that the Holy Scriptures provide enabling those who respond by grace favor power through faith to share not possess that very life The sovereign statements made by Jesus Christ require much of those to whom much is given and indicate the need for perseverance Christ will not believe repent continue segue in faith or persevere for us but will daily empower us to be more than conquerors of sin and the world We are not helpless against sin and temptation and we are commanded to stop sin in our lives by God s grace With a unique approach to examining the sovereign scriptural segues presented throughout the Bible this book will enlighten and hopefully inspire the reader to take a more serious look at all of God s Holy Word His messages to us that are critical for victorious Christian living o Metaplasmic memory words o Post

modern Humpty Dumpty interpretation of Scripture o Biblical acronyms o In depth analysis of Christ s exact words and parables o Conventional Greek grammar tenses Much of Scripture is dedicated to correcting the tragedy of error which is prevalent in the lion s share of Christian literature The truth that is often eclipsed is uncovered here This presentation aims to lead toward greater unity and conformity to God s Will To be or not to be in Christ Pastoring the Temperament Dr. Selwyn M. The Forgotten Jesus Robby Gallaty, 2017-04-04 We have lost an essential understanding of Jesus his Jewishness Through the years our understanding of Jesus has been shaped by different cultural influences and many Western Christians have formed an inaccurate perspective of Jesus and his teachings beliefs and ways of acting In Robby Gallaty s deeply reformatory book he reveals the essential Hebraic culture customs and nuances many Christians have forgotten or never learned And he argues that as long as Jesus s Jewish context is misplaced and misunderstood our understanding of the Bible our faith and the church falls far short The Forgotten Jesus will open your eyes to The first century world in which Jesus lived and its connection to the time of the Old Testament The vast differences between the Western and Middle Eastern mind and how our modern approach to understanding the Bible is influenced far more by the Greeks and Romans than by a Hebrew way of thinking Essential textual connections between the parts of the Bible that we often overlook Important Hebraic perspectives on the Messiah to point out some errors many Christians have believed through the years Why Jesus s words on the cross about God forsaking him may have deeper meaning than we realize By uncovering the teaching of the first and second century rabbis and Christian theologians and highlighting little known Jewish idioms and traditions Gallaty takes Christians on a biblical journey to rediscover a forgotten Jesus from a biblical perspective deepening your relationship with God

One Second Ron Williams, 2009 Time is steadfastly moving forward to that great judgment day when all of mankind will stand before God and give an account of their lives Mankind will have populated the earth established governments and witnessed kingdoms rising and falling During all of this God will be consistently sharing the same message of who He is and His love for man Even the arrival and sacrifice of Jesus God s Son will have occurred The question is why Ron Williams in his book One Second provides the reader with a fresh perspective of the ten most arguably important events in the history of man Starting from before creation a step by step progression through time is discussed as witnessed through scripture Challenge yourself to look through history through God s eyes God has just one goal to bring all willing souls to a point where they love Him because of who He is Ron Williams is an internationally recognized scientist who has published over 100 articles involving complex environmental issues As the author of numerous Christian studies used by churches for small group applications he brings this same desire for sharing the deep truths of God s love for each of us Ron has served in church leadership and teaching roles in a number of evangelical churches in the Research Triangle Park area of North Carolina over the past 25 years He is currently using this writing ministry to share what he has learned from his own walk with Christ Ron and his wife live in Durham North Carolina where they enjoy time with their two adult sons and spending
