Humor in Contemporary Junior Literature Julie Cross, 2010-12-14 In this new book Julie Cross examines the intricacies of textual humor in contemporary junior literature using the tools of literary criticism and humor theory Cross investigates the dialectical paradoxes of humor and debunks the common belief in oppositional binaries of simple versus complex humor The varied combinations of so called high and low forms of humor within junior texts for young readers who are at such a crucial stage of their reading and social development provide a valuable commentary upon the culture and values of contemporary western society making the book of considerable interest to scholars of both children s literature and childhood studies Cross explores the ways in which the changing content forms and functions of the many varied combinations of humor in junior texts including the Lemony Snickett series reveal societal attitudes towards young children and childhood The new compounds of seemingly paradoxical high and low forms of humor in texts for developing readers from the 1960s onwards reflect and contribute to contemporary society s hesitant and uneven acceptance of the emergent paradigm of children s rights abilities participation and empowerment Cross identifies four types of potentially subversive transgressive humor which have emerged since the 1960s which coupled with the three main theories of humor relief superiority and incongruity theories enables a long overdue charting of developments in humor within junior texts Cross also argues that the gradual increase in the compounding of the simple and the complex provide opportunities for young readers to play with ambiguous complicated ideas helping them

embrace the complexities and contradictions of contemporary life *Promoting Reading for Pleasure in the Primary School*
Michael Lockwood, 2008-06-24 Winner of the UKLA Author Award 2009 Lockwood has written a useful supportive book which will help teachers and librarians He describes the background and summarises the research and then proposes thoroughly practical programmes Carousel Michael Lockwood has produced an excellent practical overview and analysis of what works in the primary school to promote reading for pleasure Lockwood's work is grounded and valuable to those who need it most teachers in the classroom working hard to engender a love of reading English Drama Media This book is first class It puts the matter very clearly and succinctly and presents a great deal of evidence to support the argument that pleasure is not a frivolous extra but the very heart and essence of what reading is about It also gives readers plenty of ideas for carrying the principle into the classroom and for justifying it This is an excellent piece of work which I hope will find a place on every staffroom bookshelf Philip Pullman English primary school children are less likely to read for pleasure than their counterparts in many other countries This practical and focused book discusses the background to this situation and looks at how government initiatives have tried to address it Drawing on the author's own research project in order to identify good practice in promoting reading for enjoyment the book presents specific activities which teachers can use to develop their own whole school and classroom practice enabling them to put the fun back into reading Each chapter features case study material and provides examples of planning from schools that have successfully created thriving reading cultures through schemes such as reading assemblies book clubs library loyalty cards school book evenings and quizzes There is also an extensive annotated list of print and internet based resources Topics covered include Becoming a reading for pleasure school Promoting a love of reading in the early years Developing reading enjoyment in the later primary years Getting boys reading Promoting Reading for Pleasure in the Primary School is written for all those involved in education who would like to see as many children as possible develop a love of reading It will be particularly relevant for primary teachers teaching assistants trainee teachers advisers and consultants as well as teacher educators and researchers
