The Biblical Tour of Hell Matthew Ryan Hauge, 2013-08-15 It is difficult to underestimate the significance of the story of the Rich Man and Lazarus in Luke 16 19 31 within the biblical tradition Although hell occupies a prominent position in popular Christian rhetoric today it plays a relatively minor role in the Christian canon The most important biblical texts that explicitly describe the fate of the dead are in the Synoptic Gospels Yet among these passages only the Lukan tradition is intent on explicitly describing the abode of the dead it is the only biblical tour of hell Hauge examines the story of the Rich Man and Lazarus in Luke 16 19 31 uniquely the only parable that is set within a supernatural context The parables characteristically feature concrete realities of first century Mediterranean life but the majority of Luke 16 19 31 is narrated from the perspective of the tormented dead This volume demonstrates that the distinctive features of the story of the Rich Man and Lazarus are the result of a strategic imitation creative transformation and Christian transvaluation of the descent of Odysseus into the house of Hades in *Odyssey* Book 11 the literary model par excellence of postmortem revelation in antiquity
