Tan Calculus International Edition:

Single Variable Calculus Soo Tan, 2010-01-07 Taking a fresh approach while retaining classic presentation the Tan Calculus International Edition series utilizes a clear concise writing style and uses relevant real world examples to introduce abstract mathematical concepts with an intuitive approach In keeping with this emphasis on conceptual understanding each exercise set in the three semester Calculus text begins with concept questions and each end of chapter review section includes fill in the blank questions which are useful for mastering the definitions and theorems in each chapter Additionally many questions asking for the interpretation of graphical numerical and algebraic results are included among both the examples and the exercise sets The Tan Calculus International Edition three semester text encourages a real world application based intuitive understanding of Calculus without comprising the mathematical rigor that is necessary in a Calculus text

Calculus: Early Transcendentals Soo T. Tan, 2010-01-07 Known for accuracy precision and rigor Soo Tan now brings those same qualities to the Calculus course With his clear concise writing style and use of relevant real world examples Tan introduces abstract mathematical concepts with his intuitive approach that captures student interest without compromising mathematical rigor In keeping with this emphasis on conceptual understanding each exercise set begins with concept questions and each end of chapter review section includes fill in the blank questions which help students master the definitions and theorems in each chapter Additionally many questions asking for the interpretation of graphical numerical and algebraic results are included among both the examples and the exercise sets Important Notice Media content
